Superbike phenom Brandon Paasch visits San Manuel

By T.C. Brown
Copper Area News

Brandon Paasch rides professionally for Factory Vision Wheel, M4, Ecstar Suzuki in the Motoamerica Superbike Class. Some of his previous accomplishments include winning the 2021 and 2022 Daytona 200, finishing third in the 2020 Motoamerica SuperSport championship, 2019 British Moto3 champion, 2016 KTM RC Cup Championship, and he was the first American to race in the MotoGP Moto3 World. He also has the motorcycle track record at the Musselman Honda Circuit Track in Tucson for the Supermoto Asphalt Open Pro Class set previously.

He participated in, and decisively won, the 2024 AMA Supermoto Nationals Asphalt Open Pro Class. This event was held in Tucson the weekend of October 19th and 20th at the Musselman Honda Circuit Track in Tucson. He met local rider and racer Parrish Traweek at the event. He was

asked to come visit the town of San Manuel. He accepted the invite.

Brandon ended up spending a couple of days in the area. He was a guest at the Mammoth-San Manuel High School where he talked with staff and students about his racing career and Red Ribbon Month. He took a flight on a private plane out of the San Manuel Airport and toured the skies around the Tri-Community. Brandon also toured JWW Cycles in San Manuel.

He enjoyed seeing the vast selection of motorcycles on display. It was fun for him to see a KTM RC Cup bike similar to one that he rode to the RC Cup Championship in 2016. When asked about his motivation for success his response was humble. "I am a guy who likes to ride motorcycles." To say, "He rides them well!" would be an understatement. Parrish offered him an open invitation to come back and do some desert riding when his busy schedule allows.

County provides emergency call devices for elderly, others

Are you an Oracle resident? Homebound? Live by yourself?

The county has a program that makes it easier to reach emergency services and get help fast.

Pinal County offers a program that provides emergency call devices for people who would like a way to contact emergency response personnel quickly and efficiently in the event of emergencies. The program provides a medical alert system, for anyone who wants one, that can be used for any kind of emergency.

The system is comprised of a 911 pendant that can be carried around the home and activated in the event of an emergency, and a base unit that will automatically dial 911 when a button on the pendant is pushed. The pendant has a microphone that allows the user to communicate verbally with a 911 dispatcher. Additionally, it operates on caller ID so that even if voice communication with the dispatcher cannot be established, emergency response personnel will automatically respond to the address of the caller.

The program has been operational for at least 20

OBITUARIES

Ofelia Urquijo

Ofelia Urquijo passed away in her sleep at her home in Globe on Oct. 10, 2024, due to natural causes, at the tender age of 79.

She is survived by her son, Edward J Carrasco; daughters, April Carrasco and Crystal Carrasco; grandchildren, Jasmine Castellanos, Michael Paul Lira Jr., Kaya Rodriguez and Dylan Van Gorp; and great-grandchildren, Jose Jesus (JJ) and Julio Michael Castellanos. Some might say Ofelia is also survived by too many comadres and her beloved Superior.

Ofelia graduated from Superior High School. Although she did not serve in the military, she was there for her brother Mike Urquijo when he returned home from numerous tours of Vietnam and supported several events, when he was commander of the VFW post 3584.

A Jill of all trades, Ofelia was a hard worker. There was no job too big or too small that she wouldn't attempt

and complete. Ofelia worked as a receptionist for the optometrist in town; eventually retiring as a receptionist for the Superior Unified School District. Today adults in their 50s still remember Ofelia the bus driver, with love and admiration.

She loved to crochet and also knitted blankets, beanies, mittens and socks for the children. Ofelia took up and enjoyed journaling during the twilight years of her beautiful life. She had the spirit of adventure! There wasn't anything Ofelia wouldn't try and that included camping with just the ladies, no man in sight. Ofelia had a lot of compassion. There was never a hungry stray cat or kitten in the neighborhood. Ofelia greeted everyone as a friend. She did not know one stranger in town.

Ofelia will be missed here on earth, but with her

passing, heaven, without a doubt, is a far better place now. Ofelia might be silent now, but that attention grabbing whistle of hers will continue to echo throughout the town.

All who knew Ofelia Urquijo please join us on Saturday, Dec. 7, for A Reflection of Life Memorial Service beginning at 11 a.m., with luncheon to follow, at VFW Post 3584, located at 405 W. Main St. in Superior.

Samuel Madrid

Samuel Madrid, 97, passed away in Oro Valley on Oct. 11, 2024, after a brief illness.

Samuel is preceded in death by his spouse, Luisita; son, Anthony; grandson, Jimmy; parents, Antonio and Concepcion Madrid; eight brothers, and two sisters.

He is survived by his six children, Jesus (Josefina)

Madrid, Tobias (Maria) Madrid, Pablo Leroy (Sylvia) Madrid, Bertha (Anthony) Esquivel, Ida (Alex) Aguirre and Cindy Madrid (Rex Schwartz); 23 grandchildren;

50 great-grandchildren, 26 great-great-grandchildren; sisters: Terry (Chris) Benavidez, Mary Jean (Jesus) Vaca and Evans Roybal; and brothers, Joe Lovato, Gilbert (Mary) Madrid and Luciano Madrid.

Samuel acquired his GED while serving in the military. He was an Army WWII Veteran and went on to work for and retire from the Magma Copper Company. Samuel was an avid reader and loved spending time with his family and friends.

He was buried in the Sante Fe Veterans Memorial Cemetery in Santa Fe, NM. There was a reception held on Saturday, Oct. 26, at the Oracle Community Center immediately following the 10 a.m. services at Vistoso Funeral Home.

Superior American Legion to host Veterans Day Parade; Copper Corridor Vets invited to participate

It has been many years since Superior hosted a Veterans Day Parade, but thanks to the passion, initiative, and dedication of local volunteers from around the Copper Corridor, this year will be the first in re-establishing this time-honored tradition for our military veterans and their families.

On Nov. 9 at noon, all community members from around Arizona are invited to attend

this FREE family-friendly event where our communities will be able to come together in a day of celebration to show gratitude for the service of all our veterans. The American Legion has planned a full day of activities including live music, dance performances, a kids fun zone and art activities for the youth, food vendors, and a beer garden.

The most unique part of the event is

the "Honor Cruise" part of the parade where our hometown heroes will get their moment in the limelight to be honored by our communities and feel our thanks and appreciation when passing the grandstand area. Individuals with vehicles that they are proud of are invited to participate in sponsoring a veteran to ride along during the parade. It could be a new car, a classic

car, an offroad vehicle, or even a jalopy ... all are welcome! To pre-register for the parade email gmmontiel83@gmail.com for an entry form.

If you are a veteran or have a family member who is a veteran and would like to participate in the ride-along portion of the parade, please reach out to the American Legion at 480-272-3786 for details or any questions.

Superior American Legion donates computers to local school

Halloween is Almost Here!

It's that time of year when kids of all ages and sizes look forward to the fun of Halloween. What fun memories do you have about Halloween? Trick or treating? Carving the pumpkin? Dunking for apples at a party?

With the fun and activities of Halloween come some inherent dangers as well. According to the National Safety Council (NSC), kids love the magic of Halloween: Trick-or-treating, classroom parties and trips to a neighborhood haunted house. But for moms and dads, often there is a fine line between Halloween fun and safety concerns, especially when it comes to road and pedestrian safety.

In 2017, 7,450 pedestrians died in traffic or non-traffic incidents, according to Injury Facts. Non-traffic incidents include those occurring on driveways, in parking lots or on private property. NSC research reveals almost 18% of these deaths occurred at road crossings or intersections. Lack of visibility because of low lighting at night also plays a factor in these deaths.

Here's a scary statistic: Children are more than twice as likely to be hit by a car and killed on Halloween than on any other day of the year. In 2017, October ranked No. 2 in motor vehicle deaths by month, with 3,700. July is No. 1, with 3,830 deaths.

So, what can parents do to keep their little goblins and ghouls safe? There are several things to keep in mind.

When talking costumes consider the following:

- All costumes, wigs and accessories should be fire-resistant.
- Avoid masks, which can obstruct vision.
- If children are allowed out after dark, fasten reflective tape to their costumes and bags, or give them a flashlight or glow sticks.
- When buying Halloween makeup, make sure it is nontoxic and always test it in a small area first.
- Remove all makeup before children go to bed to prevent skin and eye irritation.

If trick-or-treaters are out searching for goodies after dark or by themselves:

- A responsible adult should accompany young children on the neighborhood rounds.
- If your older children are going alone, plan and review a route acceptable to you.
- Agree on a specific time when children should return home.
- Teach your children never to enter a stranger's home or car.
- Instruct children to travel only in familiar, well-lit areas and stick with their friends.
- Tell your children not to eat any treats until they return home, and you have had a chance to inspect them.
- Children and adults are reminded to put electronic devices down! Keep heads up and walk, don't run, across the street.

• Give kids a flashlight or glow stick to help make them more visible at night.

If you are out driving on the roads, be a responsible motorist and be on the lookout for trick-or-treaters. Kids can get caught up in the excitement of the hunt for goodies and when least expected dart across the road. The National Safety Council (NSC) suggests these tips for drivers:

- Watch children walking on roadways, medians and curbs.

- Enter and exit driveways and alleys carefully. Always check behind your vehicle before coming out of a parking space.
- At twilight and later in the evening, watch for children in dark clothing. Kids should wear reflective costumes or clothing, but many do not so **BE AWARE!**
- Discourage new, inexperienced drivers from driving on Halloween.

Another area of safety you need to consider are the items you use to decorate your home. Here are some suggestions to help make your home more fire safe and possibly avoid a tragedy:

- Dried flowers, corn stalks and crepe paper can catch fire easily. If you use any of these items around your home make sure you keep them away from an open heat source like a candle, light bulb or heaters.
- Glowing jack-o-lanterns are a big part of Halloween decorations. Never use a lit, real candle inside a jack-o-lantern. The best and safest thing to use is a battery powered candle. They don't overheat and can't cause a fire to start if the jack-o-lantern gets toppled over.
- Keep exit doors clear of all decorations so any escape route isn't blocked.
- Make sure you test your smoke alarms to be sure they are in proper working order.

Local rider scores at the 2024 AMA Supermoto Nationals in Tucson

By **T.C. Brown**
Copper Area News

The journey for “making the podium” started about a year ago when Parrish Traweek and his wife Carla, went to the Supermoto Nationals held at Musselman Honda Circuit south of Tucson, Arizona in November of 2023 as spectators. The adventure came full circle in October of 2024 when Parrish took to the track himself in the Asphalt Amateur Class at the 2024 AMA Supermoto National Championship Series. There is more to tell of what happened in the year in between.

Parrish is not new to racing. He has a vast history of riding and racing in desert races and motocross across the West. He, like many in the area, grew up racing and riding in the deserts around San Manuel. His father and uncle had moved to the area from Texas in the 1960s to enjoy the warmth, jobs and open lands of Southern Arizona. The Texas brothers had their own affinities for riding motorcycles as fast as they would go. That love of speed and two wheels was passed on to Parrish and his sisters.

This love of motorcycles led to his desire to give Supermoto a try after being interested in it for years. His 20-year service to the U.S. Navy and U.S. Air Force may have kept him from pursuing a career in motorsports. The years did not lessen his desire for speed on a motorcycle. He found a new 2024 KTM SMR 450 in January 2024 to allow him to follow a new dream. This bike is designed to be “Ready to Race” right out of the Phoenix Storeroom floor. That was the closest one he could find as there are very few available and those that are available are sold fast.

The next approximately 10 months found Parrish and his unofficial pit crew, Carla Traweek, Joellen and T.C. Brown, testing and watching out for the bike and rider while

getting both to their limits. The testing and riding started in local parking lots. It moved on quickly to track time at Musselman Honda Circuit in Tucson as well as Phoenix Kart Rental Association track in Northern Phoenix. Many would be surprised to find out how much tire temperature, tire pressure, and fork pressure have to do with how fast a bike will go. Throw in a different sprocket, a blown fork, new brakes, multiple tire changes, and more to try and shave time off the clock. Added some help and knowledge from folks at Gear Shifters and 520 Moto Alliance in Tucson. Throughout the months, Parrish desired and believed that he could make the podium at the national level.

It was time for the 2024 AMA Supermoto Nationals. All of the energy, money and hours of practice led to the weekend of Oct. 19 and 20, 2024. With family, friends and fans cheering him on it was all down to Parrish and his drive to do his best. There was a total of six different classes covered at the international event, with riders from the United States and other countries in attendance. The Asphalt Open and Asphalt Amateurs were combined into one moto. A total of four motos were raced over the weekend for each class represented. Two motos were ran each day. Points were awarded based on the finishing place for each class moto. Each moto was either 15 or 20 minutes plus one lap. Starting positions were determined by qualification races held each morning. Every rider had a transponder which determined their fastest lap and their place at the starting line. Each race was started from standing still with the engine running.

Parrish's starting positions were pretty much middle of the pack. His ability to move up depended on solid starts and as much speed as he and his bike were able to muster. Most of the bikes were similar in make, model and power. It would come down to experience, multiple solid starts and the ability to move up and by

others in his moto. Start results were mixed. The first starts of each day found Parrish further back in the pack then he wanted to be. He was able to move up as the motos went along. The starts in the second moto was better each day. Each found Parrish close to the front of the pack with less traffic to deal with.

Not surprisingly everything came down to the second moto on Sunday. Do well and have a chance to stand at the podium. Do poorly and go home with only experience to show. Parrish got an incredible start! He was fourth overall for the first several laps running right with the

Asphalt Open Pros. He did lose some time as the final race progressed but had an incredible run. He used all of his experience and energy to hang on to the end. After all the points were tallied, he placed a very hard-fought and well-deserved Second Place at the 2024 AMA Supermoto Nationals. Parrish achieved his dream of standing on the podium at the Supermoto National competition less than one year after stating his intention to do exactly that. It was an impressive accomplishment! His mother and sisters were in the stands watching him succeed.

years and, over the years, has successfully notified first responders of many people in distress in the Oracle area. The program in Oracle is administered by the Oracle Fire District for residents within the Fire District. The program was designed for elderly or handicapped people but is open to anyone who feels the need for an additional level of security within the home.

The units are provided free of charge by the county; there is no monthly service charge, and are installed and maintained by a team of Oracle Fire District volunteers. Routine checks, either in person or by phone, are made every six months to make sure the units are

working properly. Users are also trained in how to check their units by themselves.

In most cases, the units are functional anywhere within the home and, nominally, within 100 feet of the house outside. One limitation is that the user must have a local “896” land line. The County has investigated possible ways to provide this service using cell or mobile phones but, as of now, has not found a way to do so.

Oracle residents interested in the program and who have a land line number (896 prefix) may inquire by contacting the Oracle Fire District at 520-896-2980 (ask to speak with Tina or Cherie).
