# San Manuel, Superior on the courts during the holiday week

By **Nathaniel A. Lopez**  
Copper Area News

While the kids were celebrating an early holiday and a short week, some of the students at San Manuel and Superior high schools were hard at work – on the basketball courts.

Last week the San Manuel girls' basketball team kept it light on the court for the holiday week. The Lady Miners hosted the Duncan Wildkats. The girls had a difficult time holding down Duncan's tough offense. The Wildkats were in control of the game, while the Lady Miners struggled to catch up. The game ended in a loss for the Lady Miners, with a final score of 7-42.

The boys' basketball team also hosted the Duncan Wildkats. The Miners put up a fight on the court, but in

the end, were unable to keep the Wildkats from scoring. The final score of the game was a 12-point difference, 29-41.

**Superior Panthers**

The Superior boys' basketball team traveled and took to the court last week to compete against Cicero Prep Academy. The boys played a tough game, but were unable to keep up in the end, losing by 24 points. The final score of the game was 40-64.

Superior will be on the road this week to Ray High School and Valley Lutheran.

## KIDS ON HOLIDAY BREAK

Continued from page 2

9750GIII graphing calculator or (other easy-to-use models with hundreds of functions) will find plenty to challenge them when they check out Casio's expansive resource library of activities, Python programs and more, all of which are available for free online. From calculating slopes and finding derivatives to evaluating inferences and predications based on data, the resource includes exercises for every area of mathematical focus, including calculus, geometry and statistics.

**Historical Day Trip:** Take a day trip to a historic site to bring the past to life. Whether you visit a battlefield, the home of a notable figure, or a historically preserved city center, your trip will provoke discussion and keep minds engaged. If taking a scheduled tour is not possible

due to limited holiday hours, do a bit of research on the site beforehand to give your family more context about what they will be seeing. This will make the trip more enjoyable and engaging.

**Exercise:** Staying active is not just good for physical health, it's also good for the mind and soul. With no P.E. class on the schedule however, kids may be missing out on their daily dose of exercise. Be sure to go on a walk or bike ride each day or get out in the yard for some touch football or frisbee. If the weather is frightful, visit a yoga studio or even stay home and do an exercise class on YouTube.

This holiday season, balancing educational and healthy activities with fun and relaxation can help ensure your students return to school focused, engaged and ready to start a brand new semester.
