Dancing with the Stars at the Oracle State Park

Saturday, Feb. 10, will be a big day at the Oracle State Park. And thanks to the Friends of Oracle State Park, we have the low down on the hoe down.

It all begins with some sweet dancing with Art and Elaine Corral from Tucson Line Dance at the Kannally Ranch House at 5 p.m. If you're feeling frisky, you can ask them about learning the Texas Two Step, too. Western attire is not required, but all attendees are encouraged to wear sensible dancing shoes with leather-soles and good ankle support.

This event is free with park admission. Only 40 places are available, so step lively to get your place Call the park at 520-896-2425 or register online at <https://bit.ly/3SrKT2L>. If you don't make the list, don't despair. You can visit Tucson Line Dance on Facebook at: <https://www.facebook.com/TucsonLineDance/> where you will also find a link to their main site.

At 6 p.m. there will be snacks around a glowing

campfire. The sun sets at 6:05 p.m. so this is a good time for cookies, marshmallows, cocoa, coffee and contemplating the next teasing of Texans, because ...

The stars at night are big and bright, deep in the heart of Oracle State Park as the 7 p.m. Star Party will more than amply prove, thanks to the Tucson Amateur

Astronomy Association who are hosting the event on the patio and grounds.

The moon will be new and you will, if you take full advantage of the night's festivities, be both well exercised and fueled back up for a round of stargazing at this International Dark Sky Park.

OBITUARY

Thomas Eugene Whatton Jr.

Thomas Eugene Whatton Jr. passed away suddenly at his home in Oracle on Dec. 17, 2023.

Tom (or Tommy as he was fondly called by family) was born Sept. 14, 1952, in Sharon, PA to Thomas Whatton (Amos) and Anna Mae Whatton. Tommy's parents moved to Tucson when he was five years old along with his sister, Karen. A few short years later, sister Lisa and

brother David joined the family.

Tommy graduated from Flowing Wells High School where his love of golf began, winning many trophies on the golf team. Tom loved golfing with his brother David and friends on many courses in and around Tucson.

Upon graduation Tom began working for Magma Copper/BHP Mining as an equipment operator, retiring after 32 years of service. Tom had many friends and stories in his career in the copper mining industry. Tom enjoyed getting together for dinner with friends sharing memories, reminiscing of the "good ole days" and creating new memories.

Tom enjoyed working on projects at their home and property, landscaping and maintaining a beautiful home. Tom worked as a handyman in Oracle until health issues limited his ability to do so.

Tom loved military history, golfing, movies, riding his Harley Davidson motorcycle, refurbishing old cars, fur babies Trixie and Darbi, traveling with his wife Debbie attending grandkids, nephews and nieces sporting activities and dining out. Tom was

always ready to try out various cuisines.

Tom is survived by his loving wife and life partner of 35 years, Debbie; sisters, Karen Dyer (Alexandra) and Lisa (David) Konst; brother, David (Erin) Whatton; stepson, Nick (Katrina) Martin; stepdaughter, Jennifer (Kevin) Kane; and cherished grandchildren, Kylie, Addison, Brielle, Sydney, and Mikayla. He is also survived by his loving nephews, Justin and Jeremy; nieces, Jessica, Alyssa, Abby and Macy; daughters, Jana Giron and Jolie Whatton; and grandchildren, Kaiden, Gabi, Zane, Gavin and Breyan.

Tom was preceded in his death by his loving parents, Thomas Eugene Sr. and Annamae Whatton.

A Celebration of Life will be held privately by family at a later date. In lieu of flowers, the family suggests donations in memory of Tom to local animal shelters, Veterans group or First Responders.

"Death leaves a heartache no one can heal; love leaves a memory no one can steal." (malungkot.com)

Local wrestling teams compete at Mogollon invitational

By Nathaniel A. Lopez
Copper Area News

San Manuel and Hayden wrestling teams both traveled north to Heber to compete in the Rocky Nelson Invitational at Mogollon High School Jan. 26-27.

After the first day of wrestling, four of the Miner wrestlers advanced into the second day of the tournament. As the second day came to a close, only one Miner walked

The Lobo wrestling team closed out the tournament with a team place of eighth out of 22 schools. Two Lobo wrestlers walked away with medals. Johnny Arbizio placed second in the 150-lb weight class, and Oscar Rodriguez placed second in the 190-lb weight class.

The Lobos closed out their regular season with a Saturday home multi-meet.

The Miners regular season is now over, and on Feb. 10, the team will travel to Morenci High School to compete in the D-IV South Section Championships, which will determine who will make it to state the following weekend. The same day, the Lobos will compete in the D-IV Central Section Championships at Mogollon High School, which will determine who will make it to compete in state the following weekend.

Good luck to all our wrestlers, Lobos and Miners!

final score of the game was 15-23.

In their game against Duncan, the Panthers put up a fight, and played a tough game on the court, but fell short by a few points. The final score of the game sat at 42-45.

The Panthers then traveled to Hayden to face off against the Lobos. After losing to Duncan by 3 points, the Panthers were able to switch it up and beat the Lobos by 3 points. The final score of the game was 33-30, giving the boys a win for the final game of their regular season.

ARTICLES OF INCORPORATION of the "Friends of the Orthodox Christian Monastic Sisterhood of Quebec" The undersigned persons, all of whom are citizens of the United States, desiring to form a Non-Profit Corporation under the laws of the State of Arizona, hereby adopt the following Articles of Incorporation: ARTICLE I The name of this Corporation shall be "Friends of the Orthodox Christian Monastic Sisterhood of Quebec", and its duration shall be perpetual. ARTICLE II The place in this state where the principal office of this Corporation is to be located is the Town of Florence, Pinal County. ARTICLE III Subdivision A: This Corporation is organized, and will be operated, exclusively for supporting some of the religious, charitable and educational programs of the Greek Orthodox Church of North America and to carry out other exclusively religious, charitable and educational functions, including, for such purposes, the making of distributions to organizations that qualify as exempt organizations under section 501(c)(3) of the Internal Revenue Code, or the corresponding section of any future federal tax code. The character of the business which the Corporation initially intends to conduct in Arizona shall be to establish an organization supporting the religious, charitable and educational programs of the Greek Orthodox Church's monastic Sisterhood in Quebec at the Monastery of the Virgin Mary the Consolatory as they live and work according to the Teachings and Holy Tradition of the One, Holy, Catholic and Apostolic Church as established by the Seven Holy Ecumenical Councils. The Corporation is intended to be an organization (i) which is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code, or the corresponding section of any future federal tax code, and (ii) which is not a private foundation within the meaning of the Internal Revenue Code, or the corresponding section of any future federal tax code. All terms and provisions of these Articles shall be construed, applied, and conducted in accordance with such intent. Subdivision B: The Corporation shall have any and all powers necessary or convenient for it to carry out its purposes stated in these Articles and, in addition, it shall have any and all powers necessary for it to transact any and all lawful business for which nonprofit corporations may be incorporated under the laws of the State of Arizona, as they may be amended; provided, however, that the Corporation shall exercise its powers only in accordance with the provisions and limitations of Section 501(c)(3) of the Internal Revenue Code, or the corresponding section of any future federal tax code. Subdivision C: During any period that this Corporation is a private foundation, as defined in Section 509 of the Internal Revenue Code, or the corresponding section of any future federal tax code, the powers of this Corporation shall be specifically restricted so that the Corporation shall be prohibited from: Engaging in any act of self-dealing as that term is defined in Section 4941 of the Internal Revenue Code, or the corresponding section of any future federal tax code; Retaining any excess business holdings as that term is defined in Section 4943 of the Internal Revenue Code, or the corresponding section of any future federal tax code; Making any investment in any manner which would subject the Corporation to tax under Section 4944 of the Internal Revenue Code, or the corresponding section of any future federal tax code; Making any taxable expenditure as that term is defined in Section 4945 of the Internal Revenue Code, or the corresponding section of any future federal tax code. In addition, during any period that the Corporation is a private foundation, as defined in Section 509 of the Internal Revenue Code, or the corresponding section of any future federal tax code, the Corporation shall be required to distribute income in such amounts, at such times, and in such manner as to prevent it from becoming liable for the tax imposed by Section 4942 of the Internal Revenue Code, or the corresponding section of any future federal tax code. Notwithstanding the restrictions imposed in this Subdivision C of Article III, if Section 508(e) of the Internal Revenue Code, or the corresponding section of any future federal tax code, is amended to remove the requirement that any or all of the restrictions contained herein be included in the governing instrument of this Corporation, then such of the foregoing restrictions as are no longer required shall be deemed deleted and shall have no further force or effect. In attendance was Pinal County District 4 Supervisor Jeffrey McClure, District Administrator Trecia Koozer, a county engineer, the transportation planning supervisor, a senior transportation planner, and the district manager for Public Works. A member of AECOM (Architectural Engineering Construction Operations and Management) was available to present the data collected from the Road Safety Assessment for which they were commissioned.

During AECOM's Road Safety Assessment, they collected data from the entire stretch of American Avenue, from the west end to the east end.

"A road safety assessment qualitatively reports on potential road safety for users, and identifies opportunities for improvements and safety for all users," explained AECOM presenter Craig.

The AECOM presenter went on to discuss reported accidents that took place on American Avenue and the severity of them, user volume at intersections and their peak hours, and potential problem areas. He praised all of the proper signage that was posted alongside the road, and the few crosswalks that were scattered throughout the road. He also mentioned the road use by and for pedestrians. Some of the suggested hazards, were intersections with unusual placement, and areas that didn't favor pedestrian use.

The majority of those in attendance were the retired

residents of Oracle, with a couple of local business owners there as well. The residents' main objective seemed to be to cut down speed along the entirety of American Avenue. Speed limit being lowered along the corridor, and a stricter law enforcement presence was suggested by a resident. Roundabouts were also a point of conversation, met with a mostly negative response. When pedestrian issues were brought up, such as sidewalks, and crosswalks, the residents seemed half-heartedly interested. Probably since most of those in attendance weren't a pedestrian by necessity, but by leisure, using the pedestrian trail mostly for recreation in place of transit. When the idea of putting cement sidewalks on the trail was mentioned, it was met with protest that it would make Oracle look too urban. Others wanted the pedestrian trail to also be useable to cyclists, then someone mentioned that it should also be equestrian friendly. Speed-tables were suggested in place of crosswalks, mentioning that it would also help reduce speed, that idea didn't meet too much resistance. Any mention of nighttime illumination, it was met with opposition by Michael Weasner, who reminded those in attendance that Oracle was an international dark sky community, and suggested motion sensor lighting if any lighting was to be used at all.

The meeting concluded with Supervisor McClure thanking everyone for coming out, and mentioning that the county has a lot of new information and ideas to work with and go over.

With meetings designed to welcome the whole community, the younger generations of Oracle should really consider attending these meetings that might impact the future of the place they reside.

Annual San Manuel Copper Classic motorcycle race returns March 9

Well, they will be at it again. The Trail Riders of Southern Arizona (TRS) will be hosting the 18th running of the San Manuel Copper Classic motorcycle race on Saturday, March 9, 2024.

TRS will be receive support hosting this race from the American Motorcyclist Association (AMA) and the Arizona Motorcycle Riders Association (AMRA). AMRA promotes Arizona's premier off-road motorcycle championship series intent on providing high quality, fun and safe off-road racing for the whole family.

The TRS was founded in 2004 and is a 501(c)3 club that promotes safe and responsible off-highway motorcycle recreation and racing through action and

education. We are a chartered club with the AMA and a member of the AMRA. TRS works with local, state, and national off-highway vehicle (OHV) organizations along with the US Forest Service, and Arizona State Parks and Trails OHV Program to improve the off-road motorcycling experience in southern Arizona.

TRS appreciates all the support we receive from the Pinal County Office of Tourism, BHP Copper, San Manuel residents, and especially from School Superintendent Julie Dale-Scott. With the support and assistance received from her organization, this race has become a racer favorite because of the great

staging area accommodations the old Gardner Middle School campus provides.

Money raised from this event will be given-back to the San Manuel community through donations to the local Schools Program and Fire Department. Last year, TRS donated \$5,000 to the San Manuel Schools Program and \$1,300 to the San Manuel Fire Department. TRS hopes to increase its donation amounts this year. In fact, since 2007 TRS has donated over \$32,280 to the San Manuel Schools Program and Fire Department.

The San Manuel High School sports teams also participate at the event by providing food and beverage service to

raise money for their individual sports program.

As in past years, the Copper Classic will be staged at the old Gardner Middle School ball fields and parking areas at the end of Avenue D and Erickson Streets.

Preparations for the event are well underway now. On Thursday, March 7, set-up of the race campus will begin. Racing begins on Saturday, March 9, starting with Mini races at 8:30 a.m. The Big Bike racing will be starting around the noon hour. Please pay attention to and honor the road closure barriers and safety cones in and around Avenue D and Erickson Streets during these hours.
