Tri-Community Food Bank – feeding neighbors for more than 40 years

The Tri-Community Food Bank and Thrift Shop (TCFB) was founded in 1980/81 by Jean Peterson and Beverly Pyritz. It was originally located in one room in a Pinal County Building in Mammoth. Early funding was from local grocery stores, local resident donations, and the small thrift shop. When the Food Bank expanded and moved to another building in Mammoth, the thrift store remained in the original one room. There was also a thrift store in the new space.

The United Way of Pinal County was the first larger funding source for the Food Bank. In 1997, funding of food started with TEFAP - The Emergency Food Assistance Program through the United Food Bank of Mesa. In 1998, the first SaddleBrooke Community Outreach (SBCO) Food Drive was held. The SBCO Food Drive continues to be held each year and is a major food and monetary funding source for the TCFB. Cynthia Chevalley became Chairperson of the

Tri-Community Food Bank in 2005. Cynthia was determined to do something about the leaky roof and limited heating and cooling at the Food Bank facilities. In 2008, she coordinated with the town of Mammoth and Pinal County Supervisor Lionel Ruiz to develop a grant to renovate the Redwood Inn Restaurant. The county eventually purchased the former Redwood Inn Restaurant at an auction. In 2010, TCFB moved into the renovated, former restaurant at a nominal yearly rent, paid to Pinal County.

Cynthia shepherded the Food Bank through many notable periods of growth and improvement. These included the installation of an outdoor cooler (2013) and freezer (2021), the purchase of a van (2019), and the COVID epidemic, during which time the Food Bank remained open as usual, but the Thrift Store closed permanently. Cynthia served as Chairperson until her retirement in 2021.

Upon Cynthia's retirement, an Executive Board was established to oversee the operations of the Food Bank. In 2022 a new warehouse was constructed behind the main Food Bank building, to replace the former storage space located on Main Street in Mammoth.

The year 2023 saw an update to the Food Bank lobby, a new cooler, and new Mission Statement - "Feeding Neighbors in SE Pinal County".

The Tri-Community Food Bank has always been

San Manuel's Jack Gorham named to Superior High School Hall of Fame

San Manuel resident John 'Jack' Gorham was inducted into the Superior High School Hall of Fame in a ceremony on Saturday. Gorham, a member of the Superior High School Class of 1950, was recognized for being a founding member of the Hall of Fame Board of Directors. Jack was asked by Manny Ruiz to join the Hall of Fame board to help build the organization. Jack, coming from a family with deep roots to Superior, agreed to serve on the board. For many years Jack would travel to Superior from San Manuel to attend the meetings and events. Jack began his career as a delivery driver for Holsum bread, driving throughout the Copper Corridor until he eventually began a career in mining. He retired in 1995 as a Senior Planner at the smelter in San Manuel.

Advocating for more than 30 children, a Court Appointed Special Advocate shares her journey

Nationwide there are over 400,000 children in foster care. The Court Appointed Special Advocate (CASA) program is a nationwide organization with 939 state organizations and local programs in 49 states, encompassing over 95,000 volunteers serving around 240,000 children annually. In Arizona, there are about 11,000 children in foster care.

Susan Ward, a volunteer in Gila County shares her journey of being a CASA volunteer across two states while advocating for over 30 children in the foster care system over the years.

I had the privilege of being a stay-at-home mom which enabled me to volunteer regularly in my children's classrooms, but as they moved into high school, I looked for another way to serve in my community. My husband was speaking with a coworker who told him about the CASA program. I looked up our county program in Washington State where I was living at the time and became a CASA in 2007. I wanted to continue to work

with children and after learning about the critical support a CASA provides to a foster child, I began my service as a CASA.

I became a CASA in 2008 and in 2014 took a leave until one of my cases came back into the system in 2016 and I returned to support these children. I continued as a Pierce County CASA in Washington State until we moved

Ninth Circuit Court narrowly rules to uphold Resolution Copper Land Exchange ruling

After a 6-5 vote, the Ninth Circuit Court of Appeals voted to uphold the ruling of the lower court, allowing the Federal Government to exchange the land parcels designated under the Southeast Arizona Land Exchange, also known as the Resolution Copper Land Exchange.

The Ninth Circuit federal court announced in November 2022 that they would allow the case to be heard in an en banc hearing. This was an unprecedented move, as the court rarely re-reviews cases. The en banc hearing allowed more of the judges to hear the case. In March 2023, the court heard the case but had not ruled on the matter. The ruling was released on Friday, March 1, 2024, and it was unexpected.

The court case was another attempt by Apache Stronghold and opposition groups to block the federal lands from being exchanged to Resolution Copper. In March

2021, the Biden administration pulled the Resolution Copper Federal Environmental Impact Statement from proceeding through the process. This was another delay on the overall permitting process. The recent court briefing states that officials at the Tonto National Forest will notify the public 69 days in advance prior to re-releasing the FEIS.

“Once again, the Resolution Copper project has conquered yet another hurdle in their permitting process. Many additional investments for our community are held back until we can reach a signed Record of Decision from the Tonto National Forest. I am optimistic that now that the court has upheld the lower court decision, we will see the re-release of the FEIS,” said Superior Mayor Mila Besch.

Apache Stronghold, the primary opposition group proclaiming that the

loss of Oak Flats will affect their ability to worship, has stated that they will appeal the case to the Supreme Court.

Resolution Copper President & General Manager Vicky Peacey issued the following statement:

“We welcome the Ninth Circuit’s decision to uphold the lower court’s ruling. There is significant local support for the project, which has the potential to supply up to one quarter of U.S. copper demand, add up to

\$1 billion a year to Arizona’s economy, and create thousands of local jobs in a region where mining has played an important role for more than a century. As we deliver these benefits to Arizona and the nation, our dialogue with local communities and Tribes will continue to shape the project as we seek to understand and address the concerns that have been raised, building on more than a decade of government consultation and review.”

Hayden competes in Joe Padilla Tournament, wins through to championship game

By Nathaniel A. Lopez
Copper Area News

The Hayden Lobos played some amazing ball at the 37th Annual Joe Padilla Baseball Tournament, winning through to the championship game. But you'll have to check back next week to see if they won. (Sorry for the cliff-hanger, fair readers.)

The games were held in Florence, the host and competitors in the final game.

For their first game, the Lobos played against Ray. The boys showed their strength on the field, and controlled the game, claiming the win with a 11-0 final score. Their second game of day one was up against the Safford Bulldogs. The Lobos were able to claim another win, with a final score of 8-2.

In day two, the Lobos went up against Round Valley. The first inning ended with a 1-1 score. During the second

inning the Lobos posted 1 run, while Round Valley was able to post 3 runs. The Lobos came back with 1 run in the third inning. In the fourth inning, both teams scored 3 runs. The game concluded with a final score of 6-7, giving the Lobos their first loss of the tournament.

The Lobos began day three with a game against San Manuel. The boys were able to keep the Miners at bay, only allowing 2 runs to be scored on them. The game ended with a 12-2 Lobo victory, sending them into the semi-finals.

In their semi-finals game, the Lobos took on the Show Low Cougars. The boys were able to come out of the game with their heads high, heading into the championship game, following their 4-1 win over the Cougars.

The Lobos were set to take on the tournament host, the Florence Gophers, in the final. The results were not available at press time, but we'll have the results next week.

In other action last week, the teams hosted Maryvale Prep. The Lady Lobos dominated their game, and were able to post 23 runs, closing the evening with a victory. The Lobos controlled the whole game, and only gave up 1 run in the fourth inning. The game ended with a Lobo victory and a 16-1 final

score.

By Nathaniel A. Lopez
Copper Area News

On Feb. 24, the Ray softball team hosted a rare Saturday game. The Lady 'Cats took on the Mogollon Mustangs.

It was a rough start for the Lady 'Cats, not scoring for the first three innings, while the Mustangs were sitting at 6 runs by the top of the fourth inning. During the fourth inning the girls posted 3 runs, while Mogollon got 1 run past the girls.

The fifth inning saw the girls post 2 more runs, and slowly begin to close the score gap. In the sixth inning Mogollon scored 2 runs and the Lady 'Cats scored 3 runs.

The game concluded with a close final score sitting at 8-9, giving the Mustangs the win for the afternoon. The Lady 'Cats traveled to Fort Thomas on March 5 to take on the Apaches. Results from that game were unavailable at press time.

It was a tough week on the diamond for the Ray baseball team.

The Bearcats traveled to Florence to compete in the in the 37th Annual Joe Padilla Baseball Tournament. The boys first game was against neighbors and rivals Hayden. The Bearcats had a tough time getting the edge on Hayden and were unable to post any runs throughout the entire game. The game ended after the fourth inning,

with a final score of 0-11.

Their second game of day one was up against Round Valley. The Bearcats once again had a tough time besting their opponent but were able to post 1 run during the second inning. The game ended with another tough loss, this time with a final score of 8-1.

Starting off day two, the boys played against Safford. The game sat at a 0-0 stalemate, until the second inning when Safford posted 1 run and the Bearcats posted 3. The third inning saw the Bulldogs score 3 runs, while keeping Ray from scoring. The fourth inning was when Safford decided to create a safe score-gap, posting 12 runs. The final score of the game was 3-16.

For their second game of day two, the Bearcats took on Globe. Once again starting the game with a 0-0 first inning, Ray posted 4 runs in the second inning while the Tigers posted 2. The third and fourth innings were a

no-score stalemate. In the fifth inning, Globe evened the score, with 2 runs, making it 4-4.

In the sixth inning, the Tigers scored 2 more runs, but the Bearcats fell short and only scored 1 run, making it a close and tough loss, with a final score of 5-6, and sending the Bearcats home.

It will be a busy week for the boys baseball team, with away games at Patagonia Union, and San Tan Foothills. They will end it with a Saturday, March 9, home game against Williams.

Be sure to come out and support the Bearcats!

Welcome to the Apache Leap Mining Festival! Mining Matters!

Welcome to the 35th Annual Apache Leap Mining Festival! This festival honors our rich mining history and the resilient and determined community spirit of Superior. For generations of Superior families,

mining has been an indelible part of our economic identity, offering a unique way of life that many will never experience or appreciate. The many men and women of our community and beyond travel to the depths of the earth to bring out minerals that are essential to all aspects of modern-day life.

Mining in Superior dates back more than a hundred years. The history of the Magma Mine includes being the first underground mine cooled by air conditioning to now being the deepest single lift mine shaft in North America as the Resolution Copper Mine is developed. Our local miners have been helping to transform the world with the minerals mined right here in Superior.

We also celebrate the investments made by Col. William Boyce Thompson, who not only made significant mining investments that transformed Superior into a mining bonanza, but he also had the foresight to invest in and develop our beloved Boyce

Panthers win game 10-4 over Miami in Joe Padilla Tourney

By Nathaniel A. Lopez
Copper Area News

The Superior Panthers competed in the 37th Annual Joe Padilla Baseball Tournament last week. Their first game of the tournament was against the Miami Vandals.

The first inning started with Miami scoring 3 runs, followed by the Panthers scoring 4 runs. In the second inning, the boys kept the Vandals from scoring and then

scored themselves 3 runs. In the third inning, Miami was able to post 1 run, but the Panthers came to bat and scored 3 more runs. The game ended with a final score of 10-4, in the boys' favor.

For their second game, they took on the Thatcher Eagles. The first inning started with Thatcher scoring 2 runs, while the Panthers posted only 1 run. The second inning passed with no points for either team. In the third inning the Eagles scored 1 run and kept Superior from scoring. The fourth inning saw Thatcher score 3 runs, while the Panthers only scored 1 more run. The game ended with a final score of 2-6.

On day two, the Panthers began with a game against

Morenci. It was a tough game with no scores being made for the first three innings. In the fourth inning, both teams only posted 1 run. Morenci was able to pull 1 run in the fifth inning, and kept Superior from scoring, resulting in a 1-2 loss for the Panthers.

Due to a forfeit against Coolidge on the start of day three, the Panthers advanced to play Safford. It was a tough game for the boys, who were unable to defeat the Bulldogs, resulting in a tough 0-7 loss and sending the Panthers home.

The Superior baseball and softball team will take on Hayden at the beginning of the week. They will then travel to Williams for a Friday, March 8, game.

Thompson Arboretum. As a community, this year we are celebrating this jewel of the desert's centennial celebration. Be sure to cheer on their staff, as they are serving as the Grand Marshals for the 35th Annual Apache Leap Mining Festival.

This weekend as we enjoy the festival, connecting with friends and family, enjoying delicious food and exciting entertainment, take a moment to honor and appreciate all of those who work in the mining industry in Superior and throughout Arizona's Copper Corridor.

As the old adage goes, "If it can't be grown, it must be mined". The minerals that will be produced in Superior and throughout our state's Copper Corridor not only are crucial to technology, just as importantly, they will help combat climate change. Superior is ready to be the leading community to provide the much needed to copper to power the Green Economy!

From my family to yours, we wish you a fun and safe Mining Festival weekend!

Together, We are Superior!

Boyce Thompson Arboretum to serve as Grand Marshals of Mining Fest Parade

Celebrating 100 years of growing arid desert plants and offering a magical place of respite must be celebrated to the fullest. In April 1924, the Boyce Thompson Arboretum was opened by Col. Boyce Thompson. His investment in mining and the Boyce Thompson Arboretum would uniquely identify the community of Superior from that point forward. The legacy left by Col. Thompson, a leader in sustainability and mining investment, in Superior and the American West, is still being studied today and is still making an impact.

“Thompson realized nearly one hundred years ago, what we still believe today: All life depends on plants,” as quoted from the Arboretum website.

This year the Superior Chamber of Commerce has selected the Boyce Thompson Arboretum as the Grand Marshals for the 35th Annual Apache Leap Mining Festival. Riding in the parade will be the newly hired Executive Director Kim Gray and Assistant Director Shelbi Storms along with other staff and volunteers at the Arboretum.

The Arboretum is also a key economic driver to Superior, creating more than 40 jobs, and attracting well over 145,000 visitors a year to the area. The Arboretum is a key community partner in the Arizona Water and Town of Superior Sustainability Elevated Campaign providing two free drought resistant plants to residents of Superior during the Fall and Spring plant sales each year. They have also been supportive in the development of the Coleman Alley Pocket Park, which was designed to help educate others about green infrastructure and rain water gardens.

The Boyce Thompson Arboretum kicked off its Centennial in 2023 with the first Green Gala celebration; and the centennial celebration will continue throughout the year. The community is invited to attend the Founders Day Celebration on March 24, 2024. The celebration will begin at 11 a.m. and run until 3 p.m. The Founders Day Celebration will include live music, an interactive photo booth, scavenger hunt, FREE Arboretum swag (first come first served) and much more.

In addition to the Founders Day Celebration, the Arboretum has also hosted the 100 Tree Spree this year, planting more than 100 trees throughout the Copper Corridor and the East Valley. The trees have been planted at schools, municipalities and non-profit organizations.

You can also participate in the Centennial

Celebrations by visiting the Arboretum to see the Spiny Splendor Exhibit, the Then and Now Exhibit, or participating in the regularly scheduled Legacy Tour. 1 run while San Manuel scored 2 more runs. In the third inning, Desert Vista was able to post 3 runs, but kept San Manuel from posting any runs. In inning four, Desert Vista posted 4 runs, and again kept the Lady Miners from scoring. The fifth inning saw neither team post any runs. The game ended with a final score of 6-14, giving the win to Desert Vista.

On the second day, the Lady Miners took on the hosts Canyon Del Oro. It was a tough game for the girls. The first inning saw neither team post any runs. During the second inning, the girls had no luck breaking onto the scoreboard, while CDO had a great inning posting 9 runs. In the third inning, the Lady Miners still could not score a run, The Dorados scored 3 runs. The fourth inning saw the girls finally post 1 run, while CDO scored 2 more runs. The game ended with a final score of 1-14, giving the Dorados the win.

The Miners and Lady Miners hosted Valley Union Tuesday, March 5. The results of these games were unavailable at press time.

Those who purchase their tickets before March 27, 2024, will receive an additional \$50 in Magma Royale Cash to play the casino style games. Those who come dressed for the "Night in Emerald City" theme, will receive an additional \$25 in the fun play money.

In addition to the casino style games, there will be a silent auction and liquor pull.

The annual Magma Royale fundraiser is the Superior Optimist Club's primary fundraiser each year. The funds raised from the event help the club to continue their efforts to sponsor and organize the annual Miracle on Main Street parade and they also host their signature Honor Roll Banquet, where they award honor roll students with awards. The club awards laptop computers to those who earn the honor roll consecutively from Junior High through their Senior year.

Tickets can be purchased online: <https://bit.ly/3vGFz kf> or you may call JoAnn Besich to reserve your tickets at 520-827-0592. Online purchase is highly recommended.

CASA VOLUNTEER

Continued from page 4

to Arizona. It was an easy decision to continue volunteering when I came to Arizona because being a CASA is the most rewarding and humbling experience I have had in my life. I have been a CASA with Gila County since 2022, and in my total time volunteering I have served over 30 children.

Children who come into the foster care system need an advocate. They are afraid, unsure of what is happening and often are alone coming out of abusive, neglectful, and traumatic circumstances. As a CASA, we advocate for them in court, at their school, with their foster placement, and biological family until the child can be safely reunited back home or are adopted. We try to make certain that our kiddos can have as normal a life as possible. We work with community groups to provide needed clothing, beds, sports equipment and fees, school supplies, anything a child needs. We also work within the school to make certain that all their educational needs are met. You truly make a difference in a child's life.

My longest and most memorable case lasted about five years. My little guy came into care when he was about five years old. His mother could not care for him and was willing to give him up for adoption and there were no other family members. He was placed in a pre-adoptive home which sadly disrupted due to a technicality, and he was put into a foster home. This was devastating for him. Over the next five years I would meet with him a couple of times each month at his foster home, visit him at school and meet for lunch. I also met with his teachers and school

counselors to make sure his educational needs were being met. He was alone as he moved from foster home to foster home as well as two other pre-adopt homes. When his last pre-adopt foster home brought him back after deciding the adoption was not going to work, I was asked to be there for him as I was the only consistent person he has had in his life. This was unimaginable pain and disappointment for this child. I knew I had to help find his forever family soon. I thought back to his first adoptive family and began working with the social worker to see if they were still in the community. They were and had worked out those technicalities. We reached out to the family who said they never stopped thinking about him and would joyfully welcome him back into their family and adopt him. The picture of him returning home and his adoption day is forever etched in my mind. Most often our kiddos come into care alone. Their CASA is the one consistent reliable person in their life.

The most rewarding part about being a CASA is seeing a child's eyes light up when you arrive or seeing them come out of foster care and hearing from them years later. And the most challenging part about being a CASA is seeing the trauma these children have suffered. It does however drive you to do all you can to advocate for your kiddos. Being a CASA has opened my eyes to the world of drug addiction, mental illness, domestic violence, homelessness, and the tragic impact it has on innocent children. I feel it has made me more compassionate and aware of the struggles facing

so many families in our community.

There is an additional need for volunteers because there are foster children who need someone to care and to advocate for them. The time you volunteer can make such a difference in a child's life. A CASA also plays a critical role in the courtroom. You likely see and interact with your child more than anyone else involved in the case. On many occasions the Judge will look to the CASA for deeper insight into the child's wants and needs.

The CASA program is very well-organized and continually prepares you to meet the needs of foster children. They have outstanding supervisors to support you, CASA support groups that meet to talk about experiences and how to handle all sorts of situations, and training that covers everything from how to write court reports to how to meet your kiddo for the first time. They are dedicated to serving the needs of foster children and youth.

I would encourage anyone who wishes to volunteer and make a difference in a child's life to contact their local CASA program and see if it is a good fit. There is a commitment as a CASA to be there for a child until they are successfully moved out of foster care. It takes about 12-15 hours a month as well as time for ongoing training throughout the year. All time well spent!

In Arizona, there is a program in each of the 15 counties. CASA volunteers do not need any prior special training and come from all walks of life. Anyone 21 years of age or older, who can pass a thorough background check and complete 30 hours of training, is

encouraged to apply. To learn more about becoming a CASA volunteer and to find your local program visit, AZCASAVolunteer.org. If you are interested in more information on

serving with children from Gila County, please visit CASAofGilaCounty.org or call 928-402-4427. In Pinal County, please visit CASAofPinalCounty.org or call 520-866-7076.

The form, terms and provisions of the Commercial Credit Line Loan Agreement, in the form of such document (including the exhibits thereto) presented at the meeting at which this Resolution was adopted are hereby approved, with such insertions, omissions and changes, not inconsistent with the Town's application to the Authority or the requirements of the federal government or the Authority, as shall be approved by the Manager and/or the Finance Director of the Town, the execution of such document being conclusive evidence of such approval, and the Town Manager, Mayor or, in the absence thereof, the Vice Mayor of the Town and the Clerk of the Town are hereby authorized and directed, for and on behalf of the Town, to execute and attest and deliver, respectively, the Loan Agreement. The obligation of the Town to pay the Credit Line Loan Repayments provided for in the Credit Line Loan Agreement to make the other payments provided for in the Loan Agreement and the obligations of the Town under the Loan Agreement shall not constitute nor give rise to a general obligation of the Town or any claim against its ad valorem taxing powers, or constitute an indebtedness within the meaning of any statutory or constitutional debt limitation applicable to the Town. Section 4. The appropriate officials and officer of the Town, the Town Manager, Mayor and Vice Mayor are hereby authorized and directed to take all action necessary or reasonably required to carry out, give effect to and to consummate the transactions contemplated by the Loan Agreement, and by this Resolution, including, without limitation, the execution and delivery of any closing and other documents reasonably required to be delivered in connection therewith. Section 5. If any section, paragraph, subdivision, sentence, clause or phrase of this Resolution is for any reason held to be illegal or unenforceable, such decision will not affect the validity of the remaining portions of this Resolution. ARIZONA@WORK Pinal County holds community forum at CAC-Aravaipa

By T.C. Brown
Copper Area News

Several members of the community joined staff members of ARIZONA@WORK Pinal County for the Copper Corridor Community Event on Feb. 29, 2024. ARIZONA@WORK Pinal County was seeking feedback regarding how their services could be customized for the local community needs as they prepare their Four-Year Plan as part of receiving federal grants. Forums had previously been held in Superior and Apache Junction. This event was hosted at the Central Arizona College – Aravaipa Campus (CAC).

Community members, employers, educators, board members and more, participated in discussions on several topics and shared insight to agency staff about the unique needs and problems along our stretch of the Copper Corridor. Individuals represented various areas of the Copper Community to include Aravaipa, Kearny, Oracle, San Manuel and beyond.

Topics of this forum included services offered by ARIZONA@WORK, CAC, bridging employers to employees, specific needs and concerns of the local communities, resources, assistance, challenges, skill gaps, employment goals, improved networks with educators, Labor Force Participation Rates, and a myriad of other topics brought up by the participants and attendees.

Aaron Moon, with ARIZONA@WORK Pinal County, discussed the many services offered by the organization to educators, employers, and employees as well as those seeking life improvement. Resume update assistance, interview skills, career exploration, job search strategies and more are available. Special services are available for youth, transitioning veterans, and those with a justice-involved background that may be a challenge to finding gainful employment. He facilitated the forum of "passionate" participants. He expressed appreciation for the sharing of ideas and information relevant to our area of the Copper Corridor as his agency seeks to provide a bridge

Local musician releases new album

By Nathaniel A. Lopez
Copper Area News

Effren Haro, who simply goes by EFFREN when he is performing, is a local musician who recently released an album with San Manuel as its main focus. On Feb. 14, 2024, Arizona's 112th birthday, Haro released his album *Copper Plated Casket*.

Haro was born in Tucson in 1996, and raised in San Manuel and the surrounding Tri-Community. Haro is an alumnus of San Manuel High School, graduating in 2014. Effren has been a performing musician since 2010, playing his first show with one of his former bands in the high school's auditorium. Haro has been in multiple bands throughout San Manuel, playing shows all over the Tri-Community, Tucson and Phoenix; even performing in other states like California, Nevada and Colorado. It was in 2017 when Haro decided to start making rap and hip-hop music.

Spending his youth competing in athletics, skateboarding around town, and making music, Haro attributes the person he is to the small town he was raised in.

"Growing up in San Manuel was great in a lot of ways,"

Haro said. "I definitely wouldn't be the same without it. I just caught a glimpse of what was once a thriving little town though. We had green grass on the baseball field, an arcade, and everything we needed in town. Watching it slowly deteriorate after the mine closed left bitter taste in my mouth, for sure, but I will always have the good memories."

In *Copper Plated Casket*, Haro covers a number of topics, some of them being growing up in poverty, watching the town he loves fall apart, trying to overcome adversity as a musician in a town that he feels has little to offer its creatives. Though it may have been bittersweet for Haro to grow up in one of San Manuel's declining periods, he tries to bring in positive hope. In his song 'S-Curves' he raps, "I've been to the bottom, I've had some problems, and made a way. Found how to solve them when I was jobless without a paycheck, coming in it's hard to imagine a life that's great, but if you maintain composure and try to keep it straight, you can lane change whenever you want, it's never too late to become the person that you want to be."

Haro also credits his "thick skin" from growing up in San Manuel, and feeling like he had to prove himself when

outside of town.

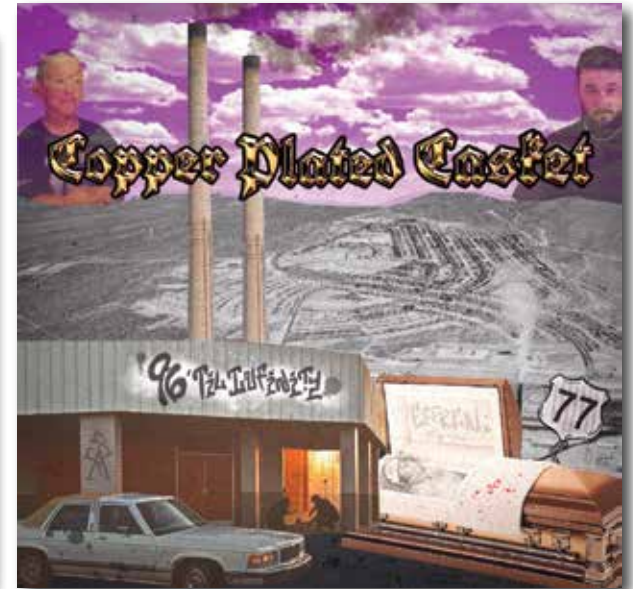

"You feel like an underdog for sure, but that also gives me more motivation to prove all the haters wrong. To come out of a place where we had less than the rest of the some of these places, we had less opportunities, less music venues or networking opportunities, just less in general. It's hard, but not impossible," he said.

When asked if Haro has hope for San Manuel to be reborn again, he said, "I do, but in the same sense that it was in the first place. I think it's possible to grow a community, it's just going to take a lot of people's cooperation. I'd like to see it get to how it used to be, with all of the streets packed with people on Halloween, or all of the houses decorated during Christmas time. Community being community."

Copper Plated Casket is available to listen to on all digital platforms, such as Apple Music, Spotify, YouTube, and more. Parental advisory is warned, as the album does contain some explicit language. You can also watch EFFREN perform alongside other local musicians on Saturday, April 20, at the Cheetovibez Five Year Anniversary event in Oracle.

Effren Haro took inspiration from San Manuel for his new album, *Copper Plated Casket*. Nathaniel Lopez | CANP
