“There are numerous countries in the world where the politicians have seized absolute power and muzzled the press. There is no country in the world where the press has seized absolute power and muzzled the politicians”
—David Brinkley

In local news, the Town of Kearny is now being advertised in a 12’ x 4’ banner that has been attached to the Town of Kearny van, which is strategically parked to catch the eye of passersby as they make their way along State Route 177.

Gerry Kaufhold, who reported the news stated, “If you drive behind the Town Hall and Old Time Pizza you can stand in front of the banner and get a selfie to post on your social media pages. Thank you to the Copper Basin Chamber of Commerce, Mooseknuckle Prints and the

Town of Kearny!”

The Copper Basin Chamber of Commerce authorized Mooseknuckle Prints to create the banner. Mooseknuckle Prints says on its website, “A family-owned business that takes pride in being a unique print shop embraced by the community and cherished by customers across the Copper Corridor.” For more information on that, visit online at www.mooseknuckleprints.com/, or, for Instagram go to www.instagram.com/mooseknuckleprints_llc/.

“The Lord is my shepherd; I shall not want. He makes me lie down in green pastures. He leads me beside still waters. He restores my soul. He leads me in paths of righteousness for his name’s sake. Even though I walk through the valley of the shadow of death, I will fear no evil, for you are with me; your rod and your staff, they comfort me. You prepare a table before me in the presence of my enemies; you anoint my head with oil; my cup overflows. Surely goodness and mercy shall follow me all the days of my life, and I shall dwell in the house of the Lord forever.” ~ Psalms 23

OBITUARY

Marcella Jane Heath

Marcella “Marci” Jane Health, née Lehman, daughter of George and Cecil Kerrick, a beloved mother, stepmother and dedicated educator, passed away on April 18, 2025, in Wilburton, Oklahoma, at the age of 87. Born on July 13, 1937, in Wichita, Kansas, Marci lived a full and vibrant life marked by her early involvement in youth organizations, her passion for teaching, her entrepreneurial spirit, her resourcefulness, her devotion to family, and her deep faith.

She is preceded in death by her husband James, who passed away in 2021. Marci’s memory will be cherished by her three adult children, LeNore Kerber of Lafayette, Colorado; Lisa Goddard of Wilburton, Oklahoma; and Bernie Lehman of Aurora, Colorado; her two adult stepdaughters, Susan Heath of Denver, Colorado and Maggie Neeley of Doniphan, Missouri; and their families of eight grandchildren and four great-grandchildren.

Growing up in Wichita, Marci graduated from North High School. She continued her involvement in fraternal organizations as an adult, participating in the Order of the Eastern Star. Marci was very active in her churches throughout her life. She often shared her beautiful voice by singing in the church choir and volunteered her time to help print the bulletins. Her passion for music and her faith were evident in her long-time participation in the Presbyterian church choirs in Wichita, Denver, Arvada and San Manuel.

Known for her generous and helpful spirit, Marci was always there to assist people in numerous ways, extending her kindness through many acts such as helping the homeless. She was also readily willing to lend a hand with various tasks around the church at any time. In her later years, she returned to her church roots and became an active member of the Methodist church in Wilburton. SPORTS

Regular season closes for Copper Corridor baseball, softball

By Nathaniel A. Lopez
Copper Area News

The Copper Corridor high school baseball and softball seasons are coming to a close, with the State Championship playoffs about to start. Those who make the cut will battle it out in the bracket to see who makes it to the State Championship game.

The first round of the 1A girls softball state championship playoffs in slated for Friday, May 2, and the first round of the 1A boys baseball state championship playoffs is slated to begin on Saturday, May 3. As of press time, the brackets have not

been updated. Check on azprep365.com to find bracket information.

Hayden Lobos

The Lady Lobos softball team had one game last week. The girls traveled to Florence. The girls picked up the lead during the second inning, but lost it during the fourth inning, and spent the rest of the game catching up, but fell short by 1 run. The final score of the game was 5-6, a close loss for the girls. The Lady Lobos played San Simon at home on April 28, but information on that match was unavailable at press time.

The Lobo baseball team also played against Florence last

week. It was a tough time on the diamond for the boys. Falling behind in the first inning, the boys spent the rest of the game trying to get on the scoreboard, but didn't until the seventh inning. The final score of the game sat at 2-5.

The Lobos are ranked first in the 1A East Region, and second in the 1A division statewide.

CJHL holds track and field championships

Copper Area News

On Friday, April 25, the Central Junior High League Track and Field Championships were held at Miami's

track. Competing in the tournament were Ray, Mt. Vista, Miami, Eloy and Cibecue.

All of the athletes put a lot of effort into their events, knowing it was their last meet of the season, and, for some, their last Junior High track meet. They

competed all afternoon, with the last event, the 4x400 relay closing out the meet right as the sun began to set.

Ray's boys team took third place overall for the championship meet, and the girls team placed fifth in the meet. Mt. Vista

boys team took fifth place in the meet, and the girls team took second place, championship runner ups behind the champions, Eloy.

Good job, Copper Corridor junior high schools on a good track season!

ASARCO charts pathway to safe and sustainable future for Ray Mine with autonomous haulage implementation

ASARCO, together with Caterpillar® and Cat dealer, Empire Southwest, is proud to be embarking on a transformative journey at its Ray Mine operations with the introduction of Caterpillar's autonomous haulage system (AHS), Cat® MineStar™ Command for hauling.

As ASARCO embarks on its next chapter, it is making history as one of the first mines in the United States to be fully autonomous using MineStar™ Command for hauling.

“This groundbreaking initiative marks another milestone in our journey towards safer, more efficient, and sustainable mining operations. By embracing innovation, we are setting new standards for the industry while creating valuable opportunities for our workforce,” said Michelle Lammers, ASARCO Operations Director in statement.

This significant technological investment will be integrating 11

new Cat® 794 autonomous haul trucks into one of the United States’ largest copper mining operations charting a pathway to a safe and sustainable future for the Ray Mine. As copper remains a critical mineral for the U.S., this deployment positions ASARCO ahead of the curve in modernization. It aligns with the company’s long-term vision to double its capacity, an ambition that reinforces ASARCO’s strategic growth and its vital role in securing the nation’s mineral supply.

The AHS project demonstrates ASARCO’s vision for the future of mining and our commitment to future proofing our workforce - one that embraces technology to improve productivity while further developing the exceptional talent within our organization.

The deployment of round-the-clock autonomous haulage technology is anticipated to enable production efficiency, equipment utilization and operational reliability. Most

importantly, it will enhance workplace safety, creating a more secure operation for our valued workforce.

Transforming our operation creates compelling career advancement opportunities for all our current team members for developing expertise in digital systems and autonomous technology – positioning ASARCO as an attractive destination for digitally skilled professionals looking to build careers at the intersection of technology and mining innovation.

“We are proud to support ASARCO’s journey with the integration of Cat MineStar Command for hauling at Ray Mine. This highlights our collaboration and ASARCO’s commitment to leveraging advanced technology to optimize mining processes for operational excellence.” shared Marc Cameron, Senior Vice President of Sales, Services & Technology at Caterpillar.

RESOLUTION NO. 2025-692
A RESOLUTION OF THE COUNCIL OF THE TOWN OF SUPERIOR, ARIZONA, AMENDING ARTICLE 2, EMPLOYMENT, HR2-03(B) SU(HOLIDAYS) AND HR-5-04 HOURS OF WORK OF THE TOWN OF SUPERIOR PERSONNEL POLICY ADOPTED FEBRUARY 8, 2018. BE IT RESOLVED by the Town Council of the Town of Superior, Arizona on February 8, 2018, adopted a Personnel Policy for Employees of the Town of Superior; WHEREAS, the Superior Town Council has determined that it is in the best interest of the Town to approve these Amendments to the Superior Personnel Policy from time to time; and NOW, THEREFORE, BE IT RESOLVED that the Mayor and Town Council of the Town of Superior, in a regular session assembled on the 10th day of April, 2025, resolved to approve the Amendments to Article 2, Employment, Section HR2-03(B) and HR-5-04 Hours of Work of the Superior Personnel Policy as follows: HR-4-03. HOLIDAYS
B. Employees scheduled to work, An employee who is regularly scheduled to work on a day on which one of the holidays listed in subsection (A) above who is observed is entitled to be absent with pay for the number of hours regularly scheduled to work, not to exceed 12 hours for employees working 28-day work periods, 10 hours for employees on a 4/10 schedule, and 8 hours for employees working a % 7-day work week, unless required to work to maintain essential Town services.
HR-5-04. Hours of Work.
A. Town employee's workweek. The Town service workweek is the period of 7 consecutive days starting Sunday at 12:00 a.m. and ending Saturday at 11:59 p.m. Each pay period shall cover two work weeks. The standard full-time work schedule is five, eight-hour days, or 40 hours in a work week for all employees except employees in certain firefighter positions that work a work period of 28 consecutive days and certain police positions that work a 14 day tour of duty.
B. Hours of employment. Each Department Head shall determine the hours of employment in the work week for each employee.
C. Flexible work schedules. If consistent with Town and departmental cooperation and with department director approval, alternative work weeks and schedules (e.g. "flex" schedules) for regular employees may be established in any manner consistent with provisions of the FLSA Standard flex schedules are "9/80" schedules (eight days working nine hours and one day working 8 hours over a two-week pay period) or "4/10" schedules (eight days working ten hours over a two-week pay period). Other flex schedules may be established only with approval through Human Resources and Payroll. (In accordance with FLSA, an alternative workweek shall be any fixed and regularly recurring period of seven consecutive 24 hour periods). All schedules for non-exempt employees shall be entered into the Town's payroll system and updated immediately when approved schedule changes are made. Alternative work schedules are not an entitlement and may be revoked at the discretion of the supervisor with appropriate notification.
D. Full-time. Full-time work schedules consist of shifts of eight or more hours in 24-hour periods within the established work week. Any shift in progress at midnight, 12:00 a.m. Sunday shall be included as part of the work week in which that shift commenced. The Fire Department operates a 28-day work schedule under §207(k) of the FLSA. The Fire Chief specifies the work duty cycle for sworn Fire employees assigned to 24-hour shifts (not more than 216 hours per pay period) over the 28 consecutive calendar days (648 hours).
E. Shift Trades. Shift trading is permitted only as dictated by the provisions of §7(p) (3) of the FLSA. If a division or department, with department director approval, allows employees to trade shifts, employees shall notify their supervisors each time they agree to a trade. Each employee will be paid as if he or she had worked his or her usual schedule for that shift, so time worked as a result of trading shifts is not counted as hours worked for overtime purposes, nor can it be paid as either straight time or overtime. Employees working a shift trade that falls on a holiday are not eligible for any additional pay. All shift trades must be made voluntarily by employees and shall not be made for performing off-duty employment. The unfilled obligation resulting from the failure of any employee to pay back a shift trade is not assumed by or transferred to the Town, is not the responsibility of the Town, and is not grievable.
F. Breaks and mealtime rest periods. Non-exempt employees who work at least eight hours in a shift may be allowed two, 15-minute paid breaks. Breaks, which are not guaranteed, are scheduled by the supervisor who shall ensure that work areas are covered. Breaks cannot be combined together, combined with a lunch period, or "banked" to shorten the workday. Compensatory time or overtime pay is not granted for breaks not taken or for work performed during a break. Unpaid lunch periods should be scheduled by the supervisor for non-exempt employees working less than six hours with the approval of the supervisor and employee. The lunch period should be either one half-hour or one hour and scheduled by the supervisor. Except as follows, non-exempt employees must be completely relieved from all job duties during a lunch period. Any work done during a lunch period requires supervisory approval and requires the employee to be paid for the full lunch period.
1. Sworn police employees on patrol receive a paid one half-hour scheduled lunch period, when possible. They respond to all calls during meal periods.
2. Fire employees working 24-hour shifts eat during paid time. They respond to calls during meal periods.
3. Waste Water Plant Operators must remain on duty during their entire shifts and are paid for their one half-hour lunch period.

manner as to subject it to tax under Section 4944 of the Code; and (v) The corporation
will not make any taxable expenditures as defined in Section 4945(d) of the Code.

deemed deleted and will have no further force or effect. IV. Board of Directors The initial

Statutes. The Bylaws of the corporation shall govern the conduct of the affairs of the
corporation. The corporation shall be governed by a self-perpetuating Board of
Directors, which may permit the acceptance of members. The eligibility requirements,
obligations and rights of the directors and members shall be as provided in the Bylaws.

of a person who serves on a board or council of the corporation in an advisory capacity
to the corporation for money damages for any action taken or any failure to take action
as a director is hereby eliminated to the fullest extent permitted by Arizona law as it now
exists or hereafter may be amended. Any repeal or modification of this provision shall be
prospective only, and shall not affect adversely any limitation on the personal liability of
such person with respect to any act or omission occurring prior to the time of such repeal
or modification. The private property of the directors and officers of the corporation shall
be forever exempt from all corporate debts, liabilities and obligations of every kind
whatsoever, pursuant to the laws of the State of Arizona. VII. Indemnification To the
fullest extent permitted by Arizona law as it now exists or hereafter may be amended,

all expenses and liabilities, including attorneys' fees, reasonably incurred by or imposed
upon him or her in connection with any threatened, pending or completed action, suit or

fact that he or she is or was a director, officer or agent of the corporation or is or was
serving at the request of the corporation as a director, officer, employee, member or
agent of another corporation or other entity. The foregoing rights of indemnification are
limited as required by Arizona law, but shall be in addition to and not exclusive of all of
the rights to which such persons may be entitled at law or otherwise. Any repeal or
modification of this Article shall be prospective only and shall not adversely affect any
indemnification rights of a director, officer or agent of the corporation existing at the time
of such repeal or modification. VIII. Dissolution Upon dissolution of the corporation, the
Board of Directors, after making provision for the payment of all of the liabilities of the
corporation, shall arrange for the distribution of all of the assets of the corporation to one

Any such assets not so disposed of shall be disposed of by the Superior Court of the
County in which the principal office of the corporation is then located, exclusively for the
tax-exempt purposes of the corporation or to such organization or organizations, as

purposes. IX. Incorporator The name and address of the incorporators are: Michael

Mock DUI: Students at Ray Jr/Sr High learn valuable lesson

By Nichole M. Aranda
Copper Area News

On Thursday, April 24, 2025, multiple agencies, along with the Ray Unified School District, hosted a Mock DUI event, but with a little twist. The scene also included the driver of the second vehicle (George Wade) briefly taking his eye off the road to lean into a group selfie on a passenger's cell phone. This event helps put a visual lesson on the possible consequences of driving while under the influence as well as cell phone distractions while driving.

Staged on Ray's football field, two visibly damaged cars sat as though they had been involved in a head on collision. Pinal County Sheriff Ross Teeple gave the attendees background on the scene as a call rang through his police radio alerting agencies of the accident with injuries.

When Kearny and Hayden Police Department, as well as Pinal County Sheriff's Office, arrive on scene they find five victims. The driver of vehicle #2 (Veronica Baez) does an excellent job exiting the vehicle appearing intoxicated. She even tried to make a run from PCSO but is quickly apprehended. They pull her aside and begin doing field sobriety test, emphasizing on "Horizontal Gaze Nystagmus" and teaching a small biology lesson to the crowd on what that is and how it is used to check the intoxication levels of a driver.

As the police are doing initial investigations, they are joined by multiple EMS agencies. Kearny Volunteer Fire Department and EMS (Cobre Valley Ambulance), Winkelman Volunteer Fire Department, Superior Fire Department, and Ray Mine Rescue all arrive on scene to assess damage, extricate victims, and provide necessary triage.

Vehicle #1 appeared to be more serious than the other. Front seat passenger (RJ Nunez) lays across the hood of the car, apparent that he had been ejected through the windshield due to not wearing a seatbelt. EMS quickly assess him and announce him dead on arrival. Then the driver was assessed to be in serious condition. PHI Air Medical (Air Evac 7) is dispatched to the scene to airlift the victim. They arrive at the scene and EMS quickly gets him into the helicopter.

The third passenger (Seth Wade) sustains only mild injuries due to correctly wearing his seatbelt, however, he is stuck in the vehicle. Firefighters quickly bring out the "Jaws of Life" effectively removing the top of the vehicle and extraditing the passenger, who was treated and released to his parents.

While all of this is going on, the Pinal County Medical Examiner arrives. They began photographing the accident, cataloging injuries, and gathering evidence due to the deceased victim. It was announced this had been classified as an "Aggravated Vehicular Homicide" case. They quickly call Griffith Mortuary to remove the victim from the scene. Upon arrival, Griffith's removal technicians (Sam Horton and Chris Geddis) assist the Medical Examiner with placing the body on a stretcher in a body bag to remove evidence. As they are loading him, the victim's mother (Mona Benevidez) comes running up and screaming hysterically. She throws herself on his body and was pulled away from law enforcement. He

was loaded into the hearse and taken to the Pinal County Medical Examiners’ Office.

Along with the driver of vehicle #2, the front seat passenger (Kylie Jenkins) was knocked out by the airbag with visible head trauma. She was loaded into Asarco/ Grupo Mexico’s ambulance and taken to a nearby hospital.

This chaotic, traumatic visualization gives a great perspective of how damaging irresponsible choices can

make and how many moving parts it takes to prevent an incident from going from bad to worse. This was a perfectly accurate depiction of what takes place on the scene of an accident. The whole event took only a matter of minutes from the original call to clean up; but in reality, having all the emergency personnel on scene is just organized chaos, everyone going above and beyond to do their part, sometimes taking hours to clear a scene.

We would like to send a huge thank you to all of those

involved in making this event happen: Darien Matthews and Emilia Rutledge with Arizona Youth Partnership, Ray Unified School District personnel and students, Kearny and Hayden Police Departments, Town of Kearny, Kearny, Winkelman and Superior Fire Departments and EMS, Kearny Dispatch, Ray Mine Rescue Team, PHI Air Medical, Sheriff Ross Teeple and the Pinal County Sheriffs Office, Pinal County Medical Examiner’s Office, Elks BPOE #2478, Griffith Mortuary, and of course the terrific actors involved.

Ray High School Band is superior

On April 16, the music department of Eastern Arizona College (EAC) hosted its 57th annual High School Honor Band, Honor Choir and Honor Orchestra Festival, which was attended by the Ray Unified School District High School Band (RHS Band). This EAC event began in 1968 as a means of providing rehearsal and performance experience to high school students, which they can take back to their own schools.

At this event, RHS Band were the only

one, out of 15 participating bands, to receive Superior, which is the highest rating to be achieved. Coming from a school that is approximately 20 times smaller in size of student body than the schools it was up against, that is quite a feat.

Roxanna Fuerstenberg stated on the Ray High School Live Feed about the RHS Band, “To say that I’m proud of my students is a huge understatement! I am incredibly blessed with such a talented

group, but they aren’t just talented. They are wonderful human beings and have amazing work ethic. These musicians work their tails off every day in class. Many stay after school, come in during lunch, come in when they get done early in other classes, and practice a lot at home.”

Fuerstenberg continued, “When you see these students out and about, please congratulate them and remind them how awesome they are. I am so blessed to be

their teacher. Also, a special thank you to Geoff DeSpain for always putting on such wonderful festivals and competitions at EAC for our students. We have a blast every time we are there.”

Geoff DeSpain is the EAC band director, music professor, and coordinator of the event, who, like Roxanne Fuerstenberg, seems to be equally highly rated by the students.

Great job, students! Great job, teachers and professors!
