# Working for Superior

**S**erving as Mayor of Superior since 2016 has been an incredible honor and humbling journey – an opportunity to learn and experience first-hand the complexities of public leadership and management and the countless dynamics that impact how communities function and prosper.

What is especially rewarding is the ability to bring much-needed resources back to Superior that benefit all of our residents and businesses. During April and May, for example, I had the opportunity to represent Superior in important state and federal venues.

At the state level, the Arizona Brownfields Conference held here in our state asked me to participate as a panelist to discuss our regional collaboration with the Copper Corridor Blight Busters and how we have used Brownfields funding to help eliminate blight and reuse many properties throughout our community. Soon a mini documentary will be released on our multi-gen center and how Brownfields funding has helped Superior! I can't wait for it to be released!

On the federal front, I am just returning from the Nation's Capitol, where I participated as a member of the Small Communities Local Advisory Committee for the U.S. Environmental Protection Agency. Through this committee, we advise EPA officials and weigh in on critical environmental policies that directly impact water systems, PFAS regulations, and the cybersecurity for our small water and wastewater

treatments plants. Superior is not the only community confronted with these challenges and it is important to learn how other communities are handling these issues as well as to help the federal government understand how it can target and deploy its resources to better help small municipalities with these and other related matters.

Also during this most recent visit to Washington, DC, I met with members of our Congressional Delegation, key U.S. Forest Service officials as well as a representative of the White House Administration to discuss the Resolution Copper Mine project. While there has been no progress on the re-release of the Final Environmental Impact Statement for the mine, we did learn this month that the Apache Stronghold organization and their legal fund – The Beckett Fund – will appeal their case to the Supreme Court. We continue to advocate for the jobs and investment that Resolution Copper brings to Superior.

Just as importantly, every time we are in Washington, DC, we meet with these elected and appointed federal officials to continually make the case for the funding of critical projects to protect and strengthen our Town. A prime example of this is our ongoing request for federal funds to pay for a fire hydrant system for our Superior Municipal Airport and our gem, the Boyce Thompson Arboretum. The Arboretum is one of our largest private employers in Superior and is an important economic driver, tourist attraction and community amenity. During my most recent trip to Washington, DC, we met with our Arizona Senators to discuss the critical importance for this funding along with the need for a new fire truck. We are cautiously optimistic that these projects can be funded through the Congressionally Directed Spending; however, we also are very aware that the competition for these funds is extremely intense.

On the home front, during our May Town Council meeting, Councilmembers approved the contract for the new Panther Bridge construction, and we expect construction to begin soon. This bridge/low water crossing is funded through the State of Arizona, and these projects were made available through revenues the state received from a variety of federal infrastructure funding sources. Councilmembers also listened to the many concerns of our local residents, especially from our artists' community, regarding the prohibition of sexually oriented businesses in Superior. After substantive discussion and clarification of the new code, the Town Council voted unanimously to adopt the ordinance. This ordinance does not prohibit artists from their works, but does prohibit businesses that sell sexual novelties, strip clubs and other businesses in this

type.

Also here at home, our grant request to the Arizona Water Infrastructure Finance Authority (WIFA) has been approved. The funding will be used to construct our rainwater harvesting park at the Lower Rails Park. This project has been a long time in coming and is a micro-project within our larger Queen Creek Restoration Project. These rainwater harvest gardens will help us retain more rainwater in our local aquifers, and as we all know, every drop counts when it comes to being outstanding stewards of this precious resource.

Earlier this month, we were excited to host elected and business leaders from Greenlee and Graham counties. The communities of Clifton and Pima wanted to learn about how our community has transformed over the past several years. During this visit, we shared some of our ideas and how we went about envisioning our future and then doing the hard work to put our vision and plans into reality. These types of exchanges are very positive for all participants as they serve to generate even more mutually beneficial collaborations and connections.

As we all begin to enjoy the Summer season, I wish you a season of making sweet Summer memories with your families and friends and safe travels as you venture out for those summer experiences.

Together, We are Superior!

She was born Charlotte Ann Hartman, daughter to Donald Clyde and Violet Ingeborg Hartman, on Sept. 29, 1948, in Winner, South Dakota.

In 1959 the Hartman Family, Donald, Violet, David, Clyde and Charlotte, left South Dakota and move to Oracle, Arizona. The youngest brother Allen was born in Arizona in 1960.

Charlotte went to school at San Manuel High School and in her Sophomore and Junior year she received All State for her singing. The family moved to Colorado

where Charlotte graduated from Cortez High School in Colorado. Later the family moved back to Oracle, Arizona.

In the 70s, Charlotte met and married Richard Cluster and had two children, Michelle and Dusty.

After divorcing Richard, she met Ronald Strawn, who had three children of his own, and in 1983 they got married and moved to Oracle, where they resided for 41 years.

Charlotte had three great loves in her life: most important was her family, the second her music and the third one was the Oracle Fire Department, where she was a dispatcher and volunteer firefighter for 14 years.

Charlotte leaves behind her husband, Ronald Strawn; a daughter, Michelle "Shelly" Sellers (Joseph); granddaughter, Rebecca; three great-grandchildren,

# Fred Sanchez

It is with great sorrow that we announce the passing of Fred Sanchez, a long-time resident of Mammoth, Arizona. He passed away peacefully on May 10, 2024, at the age of 97. He was born to Federico and Raymunda Sanchez on May 1, 1927, one of 18 children.

The love of his life survives him, his wife of 77 years, Nora, and their 6 children, Daniel (Martha) Sanchez, Michael Sanchez, Rick (Janie)

Sanchez, Thomas (Martha) Sanchez, Monica (Manuel) Chavez, and Lupe (Pat) Holman, 14 grandchildren, 23 great-grandchildren and 8 great-great-grandchildren. His sister, Gloria Gamboni, also survives him. He is preceded in death by his great-granddaughter, Erin Dale.

Despite the hardships of growing up during The Great Depression, Fred spoke fondly of his childhood working on the family farm. These experiences ingrained in him a love of the outdoors and taught him about the importance of family, hard work, cooperation and service to others. He carried and passed on these lessons throughout his life.

At age 18, he left the family farm to join the Army Air Corps and served during WWII. He was stationed in the Aleutian Islands in Alaska. Immediately upon his return to Arizona, he married his high school sweetheart and forever love, Nora Leyva. Soon thereafter, they began their own family, ultimately settling in the Tri-Community area of Mammoth, San Manuel and Oracle, Arizona.

Fred then began his occupation at Magma Copper Company lasting 30 years, working in mining development. He was a strong proponent of the local Mine Mill Union and served for a time as the local chapter President, negotiating safer working conditions and better benefits for the miners. During this time, he built Nora her "forever" dream home from the ground up, with her help and the help of family, and friends.

He served his community, as Councilman and Mayor, for the Town of Mammoth, working toward the betterment of his hometown. Upon his retirement, he and Nora spent their summers as Camp Hosts for the Apache-Sitgreaves National Forest for over 20 years. During these days, Fred enjoyed many outdoor activities that he loved.

In his Golden Years, he looked forward to visits from all his extended family. He had an amazing memory and told endearing stories about his life. He was intelligent, witty, loving and kind, always putting others' needs above his own. Throughout his entire life, as an avid outdoorsman, he loved hunting, fishing, horseback riding and hiking.

As his physical health declined, he rarely complained, and his focus continued to be on his loved ones, rather than on himself. Admiration of his many strengths will always be his legacy. He will be greatly missed and never forgotten by those whose lives he touched.

Services will be held at Blessed Sacrament Church in Mammoth, Arizona on May 29, 2024. Viewing will begin at 9 a.m., followed by the Rosary at 9:30 a.m., and Mass at 10 a.m. After Mass, interment will be at Mammoth Valley View Cemetery in the Veterans section. A luncheon will be held in his honor immediately after interment at Blessed Sacrament Hall.

# Hayden Police arrest man for aggravated assault

On Monday, May 20, 2024, at about 11 a.m., Hayden Police were dispatched to an address in the area of Thorne and Fourth St., Winkelman, for a suspected domestic violence incident.

The officers received additional information while enroute to the address that the suspect, later identified as Michael Berry III, was armed with a light blue handgun. Upon the officers' arrival, Berry was contacted outside the residence and was taken into custody at gunpoint

with assistance from the Kearny Police Department.

According to Hayden Police, Berry had taken a bus from Phoenix to Globe and was able to get a ride to Winkelman where his girlfriend resides. Berry entered the residence without permission and engaged in a verbal argument. He then drew a weapon out of his fanny pack and pointed it at his girlfriend and her grandmother. The gun matching their description was later located by police.

Berry was arrested, transported and booked into the Gila County Jail in Globe. He was charged with two counts of aggravated assault, two counts of disorderly conduct, one count of misconduct involving a weapon and one count of burglary. He is also facing a criminal damage charge for damages to a Kearny Police patrol vehicle.

Chief Brian Marquez would like to thank the Kearny Police Department for their quick response and in taking Berry into custody without incident.

## CAC Medical Assistant Program partners with Sun Life Health Clinics

PINAL COUNTY, Ariz. – Supported through the Workforce Innovation and Opportunity Act (WIOA) Grant Program, Sun Life Health is partnering with Central Arizona College's Medical Assistant program to help address the shortage of medical assistants across the state of Arizona.

Reports indicate that from 2022 to 2032, it is projected that employment of medical assistants will increase 14

percent, which is faster than the average for all occupations. According to the US Bureau of Labor Statistics, "About 114,600 openings for medical assistants are projected each year, on average, over the decade. Many of those openings are expected to result from the need to replace workers who transfer to different occupations or exit the labor force due to retirement. The large baby-boom population continues to enter older

age groups, which typically have more healthcare concerns than younger age groups and will continue to increase demand for medical services" (<https://www.bls.gov/ooh/healthcare/medical-assistants.htm>).

Lisa Mahone, Program Director and

Professor of the Medical Assistant program explained, "Participants will receive funding for tuition, course materials, CPR/First Aid certification, and registration cost for their credentialing exam along with intensive wrap-around

### ORDINANCE NO. 2024-189

AN ORDINANCE OF THE COMMON COUNCIL OF THE TOWN OF SUPERIOR, ARIZONA, AMENDING THE TOWN ZONING ORDINANCE OF THE TOWN OF SUPERIOR, ARIZONA BY ADOPTING ARTICLE II §2.7 RELATING TO ADMINISTRATIVE REVIEW AND APPROVAL OF SITE PLANS; INCORPORATING THE RECITALS BY REFERENCE; ESTABLISHING A PURPOSE; SETTING FORTH DEFINITIONS; ESTABLISHING FINES AND PENALTIES FOR VIOLATIONS; PROVIDING FOR ENFORCEMENT; PROVIDING FOR THE REPEAL OF CONFLICTING ORDINANCES; PROVIDING FOR SEVERABILITY; ESTABLISHING AN EFFECTIVE DATE. WHEREAS, S.B. 1103 provides that local governments, by ordinance, may authorize administrative personnel to review and approve site plans; WHEREAS, administrative approval of site plans can help shorten the overall time it takes to complete a project; WHEREAS, the Town deems it necessary to adopt plats and amended plats and minor land divisions and authorize staff to implement such program; NOW THEREFORE BE IT ORDAINED by the Common Council of the Town of Superior, Arizona, as follows:

#### Section I. General

The Town Zoning Ordinance of the Town of Superior, Arizona, is hereby amended by Article II §2.7 Site Plans and Amended Site Plans to read as follows:

#### ARTICLE II §2.7 SITE PLANS AND AMENDED SITE PLANS.

##### A. Purposes.

This Article describes application requirements, review procedures, and approval criteria utilized by Town staff when reviewing new site plans, as well as modifications to approved plans. The specific purposes of the site plan review process are to:

(A) Ensure the proposed development plan complies with the development and design requirements of the Town.

(B) Facilitate the orderly development of the Town by promoting the public health, safety, and general welfare, and character of the community;

(C) Mitigate adverse impacts on traffic circulation and adjacent developments and land uses; and

(D) Support a safe and efficient multi-modal transportation system with adequate off-street parking and loading facilities, bicycle facilities, and pedestrian amenities.

B. Administrative Authority; Applicability.

(A) Administrative Review and Approval. Except as otherwise expressly provided in this Article, the Zoning Administrator shall have the authority to approve, conditionally approve, or deny an application seeking the approval of a site plan or an amended site plan.

(B) Applicability. A site plan application must be submitted for all new and existing developments that propose qualifying building additions, alternations, or site improvements. This section applies to reviews of applications for initial site plans and amended site plans.

(C) Application Requirements. Applications for initial site plans and amended site plans shall be filed with the Town of Superior on form(s) provided by the Department and shall include all the information identified in the application form(s) and other data that may be required by the Zoning Administrator to ensure compliance with the requirements. Site plan applications must be signed by the property owner(s) or an authorized agent of the property owner(s) and all applicable fees shall be paid when the application is submitted.

(D) Approval Criteria.

(1) The Department shall review site plan applications in accordance with applicable zoning ordinance regulations, subdivision regulations, engineering standards, flood prevention and control regulations, development agreement, development master plan, and all other applicable federal, state and local laws, ordinance, codes, rules, regulations, policies and/or guidelines.

(2) Approval of a site plan application shall be given only when in the judgement of the Town, such an approval is consistent with the intent and purpose of this Article, and it is determined that the proposed application is:

(a) Consistent with the health, safety, and welfare of this community;

(b) Consistent with purposes and intent of this Article, the general plan and any adopted plan for the area;

(c) Will not cause traffic related concerns that cannot be mitigated as determined by

the Town Engineer; and

(d) Failure to comply with provisions of the codes, standards, and procedures of the Town shall be the sole basis for denial. (E). Notice of Decision.

(1) The Department shall notify the applicant, in writing, of the decision to approve or deny the application, and shall state any conditions for approval or reasons for denial in said letter.

(2) The Department shall provide notice of the decision to those property owners within 300 feet of the proposed site plan. (This is consistent with state law on zoning. Some cities require more notice, in essence giving adjacent property owners more rights to contest an administrative site plan, than legislative zoning.)

(3) If no appeal is filed within the timeframe specified in subsection F of this section, then the decision of the Department shall be final.

(F) Appeal Criteria and Procedure

(1) The Notice of Decision by the Department may be appealed by the applicant, any Town property owner, and property owners within 300 feet of the proposed site plan. (This is consistent with state law on zoning. Some cities require more notice, in essence giving adjacent property owners more rights to contest an administrative site plan, than legislative zoning.)

(2) Basis for Appeal.

(a) The purpose of the appeal criteria provided herein is to fairly accommodate the appeal right of a party aggrieved by a Town decision, while also ensuring the appeal is conducted fairly and expeditiously and ensuring finality in land use decisions and development permitting.

(b) An appeal of a site plan decision is limited to instances where an aggrieved party alleges there was an error in a decision or determination in the enforcement of a specific zoning ordinance or regulatory requirement.

(3) To initiate an appeal regarding a site plan application:

(a) A written notice of appeal must be submitted on a form prescribed by the Department and must include citations to the specific zoning ordinance or other regulatory requirement the appellant believes the site plan does not comply with; and

(b) The written notice of appeal and the applicable fee must be received by the Department not later than ten (10) calendar days after the notice of decision has been issued. The deadline shall be extended to the end of the next business day when the deadline occurs on a non-business day.

(G) Appeal; Department Director.

(1) Upon receipt of a valid appeal, the Department Director shall make a determination as to the nature of the appeal and shall determine the appropriate type of review.

(2) Appeals of a technical nature, such as but not limited to utility locations, grading and drainage, or traffic mitigation measures shall be reviewed by the Town Engineer, or designee thereof.

(3) All other types of appeals, including but not limited to exactions or dedications associated with the site plan, shall be heard by the Reviewing Entity.

(H) Appeal; Reviewing Entity.

(1) The Reviewing Entity shall hold a review hearing and provide the appellant, applicant, Department staff, and those property owners and registered homeowners' associations within the required notification radius of the subject property an opportunity to present their position. The hearing shall be informal and the rules of evidence and civil procedure shall not apply. The Reviewing Entity may approve, approve with modifications, conditionally approve, or deny the appeal.

(2) The Reviewing Entity's decision shall be in writing and shall be provided to the appellant, applicant, the Department, and any property owners and homeowner's association representatives who attended the hearing.

(3) The decision of the Reviewing Entity shall be final. (I) Building Permits Based upon Approved Site Plan.

(1) For all development subject to site plan review, an approved site plan and proper zoning are required prior to the commencement of any construction or development on the site.

(2) The applicant shall obtain the necessary building and/or construction permits within eighteen (18) months of the date of approval of the site plan application, if not obtained within the eighteen (18) month time frame, the applicant may, prior to the date of expiration, file a request

(2) Substantial changes are:

(a) a Fifty (50) percent increase in a project gross land area;

(c) a 50 percent increase in a multi-family project's density;

(d) a material change to the project's land use;

(e) a material change or an alteration to the project's circulation pattern that in the judgment of the Town Engineer requires a revised Traffic Impact Analysis.

(3) A site plan amendment shall be submitted, reviewed, and approved in accordance with the same site plan approval criteria as identified herein.

(4) Any modification which does not substantially change the approved site plan. shall be not require the applicant to obtain new site plan approval and may be addressed through the building permit process.

## Think beyond the tie: 5 fun Father's Day gift ideas

(StatePoint) Father's Day is just around the corner and if you've given Dad one too many ties in previous years, let this cool and creative gift guide inspire you to think a bit differently this time around:

**1. Better Coffee:** Is Dad's coffee or tea always either too hot or too cold? Give him a perpetual Goldilocks "just right" effect with Nextmug, a temperature-controlled, self-heating mug that he can use at home or in the workplace. Perfect for busy people, it maintains the contents of the 14-ounce mug to the user's specified temperature setting, whether that's warm, (130 degrees F) hot, (140 degrees F) or piping, (150 degrees F). The Nextmug comes with a docking coaster for easy charging and a spill-resistant lid. The stylish and ergonomically-designed mug is available in colors ranging from burgundy to sage to black, so you'll be sure to find an option that suits your dad's style. Visit <https://nextmug.com> for more information.

**2. Campfires On-the-Go:** If Dad loves the great outdoors, ghost stories or s'mores, a

Portable Campfire may be just the thing for him. This totable firepit is made from recycled soy wax and paper for sustainability, and is easy to light and put out. Involving a lot less mess and smoke than a traditional campfire, it's a great addition to any tailgate, backpacking trip or beach or backyard sing-a-long.

**3. Pampering:** It's not always acknowledged, but men deserve to be pampered, too. Consider gifting Dad a personal care kit full of top-notch beard oils, colognes and shaving cream. Not sure where to start? Opt for a subscription box this year. This will allow him to try out different brands and products over time. Then, next year, you can craft a gift basket based on his favorite selections.

**4. Just for Fun:** If you opt for an entirely useless object, make sure that it's one-of-a-kind. Upload your favorite picture of your dad to [mycustombobbleheads.com](http://mycustombobbleheads.com) and they'll deliver a pint-sized, bobblehead version of him to your doorstep. Making hilarious décor for a bookshelf or desk, your dad will be both

flattered and amused by this quirky gift.

**5. Lifelong Learning:** Is Dad a lifelong learner? Support his quest for

knowledge with membership to an online education subscription platform. From soft skills like leadership and poetic thinking to hard skills

like web development and photography, your dad will have a world of information straight from the experts in the palm of his hands.

This Father's Day, bring a smile to Dad's face with gifts that will make his life easier, and more relaxed, interesting and fun.
