OBITUARIES

Marshall Jay Figueroa Tomerlin

Marshall Jay Figueroa Tomerlin was born May 31, 2012, and unexpectedly gained his wings May 25, 2024, just six days shy of his 12th birthday.

Marshall was born to Tanya Figueroa Tomerlin and John Phillip Tomerlin.

He was very sweet, loving, kind and witty. Marshall's passions were baseball, football, VR, playing on his Xbox, metal detecting, collecting baseball caps and baseball cards. Marshall just finished his 6th grade and

was ready to move on to Junior High so he could finally wear his beloved hats to school. Marshall was studious and attained good grades although he was not very fond of school.

Marshall's long-time passion was playing baseball, that started with Little League T-ball and continued all the way to "majors". He loved and cherished every minute of it, excelled every year and loved his teammates. He was a beloved member of his team. You very rarely would see Marshall without one of his baseball caps on.

Marshall loved spicy foods with Takis being his favorite. After having a full meal Marshall would tap his belly and say he identified himself as "fat and full".

He was loved by his family and friends and will be greatly missed.

Marshall is survived by his parents, John Phillip

Tomerlin and Tanya Figueroa Tomerlin (Jason Clark); brother, JP; sister, Rose; paternal great-grandfathers, Felipe Peru and Fred Byas; and paternal grandparents, John and Nancy Tomerlin, and Barbara and Terry Byas. He also leaves behind his Nino Marty Peru, Nina Kathy Noriega and his many Aunts, Uncles, Cousins, and his doggie best friends Mackie and Belle.

He is preceded in death by his maternal grandparents, Marcelino (Marshall) and Rose Figueroa; Nino Marcelino Figueroa III, Uncle Chris Contreras, Uncle John Noriega and Cousin David Noriega; paternal great-grandparents, Eva Peru, Sue Byas, Francie Tomerlin Simpson and John (RIP) Richard Tomerlin.

Services for Marshall were held Monday, June 3, 2024, at St. Francis of Assisi Catholic Church. Interment followed at Fairview Cemetery in Superior.

Armando 'Mando' Lechuga

Armando Lechuga "Mando", beloved son, father, grandfather, uncle, nephew, cousin and friend, passed away peacefully on May 26, 2024, surrounded by his loving family and friends.

Born on Jan. 27, 1970, in Kearny, AZ, Mando was a cherished son of Armando and Bernice Lechuga of Kearny. He grew up in Kearny with his siblings and cousins and developed lifelong friendships. After graduating from Ray High School, Mando went on to pursue a career in Industrial Construction.

In 1997, Mando became the proud father to his daughter, Shaylee Lechuga. His life was filled with love, laughter, and countless memories with her. In 2013, that joy and pride doubled with a son, Mandito Lechuga. He was a devoted father to his children, instilling in them the values of hard work, integrity, and the love of family.

Mando was a loyal friend with a generous spirit. He would do anything for the people he loved. Mando was an avid hunter and fisherman and loved being out in nature, especially around his beloved camp Black River with family and friends. He loved the Cardinals, Suns, D-Backs, Sun Devils, and his Bearcats. You would always catch him wearing his Bearcat gear, which he proudly wore in support of his brother Alfred's baseball teams. Mando will always be remembered for his quick wit,

great sense of humor, and being very headstrong. He was loved by many and his memory will forever be cherished in the hearts of those closest to him. His laugh, his smile, and his love for his friends and family will not be forgotten. Most importantly, he loved being a dad to Shaylee and Mandito, and a Tata to Kiki. He lived every day, up until his last day, for his family.

Mando will be sorely missed by his family and many friends whom he helped and inspired. As he rests from his life's long labor, this great son, father, grandfather, brother, nephew, cousin, and friend should know that he has made his family proud. The world is most definitely a better place because of Mando Lechuga.

He is survived by his parents, Armando and Bernice Lechuga; his children, Shaylee and Mandito Lechuga; his grandchild, Kian "Kiki" Lechuga; his siblings, Alfred and Isabel Lechuga; and his extended family. Mando was preceded in death by his grandparents, Alfredo and Isabel Trujillo and Antonia Vega and Eusébio Lechuga.

A celebration of life will be held on Friday, June 7, 2024, with a Rosary at 9:30 a.m. and a Mass at 10 a.m. at Infant Jesus of Prague in Kearny, AZ. A luncheon will follow at the Leo Terrill Hall in Kearny, AZ.

OBITUARIES

Donald Lee Honaker

Donald Lee Honaker, 84, passed away at home surrounded by family, in Liberty, Utah on May 19, 2024. He was born the second of three sons on Jan. 6, 1940, in Verdigris, Oklahoma to Elzie Honaker and Vinnie Tyler.

Don leaves behind a legacy of love, mischief, and quiet modesty.

As a young boy Don migrated with his family from Oklahoma to California to do seasonal agricultural work before returning to Oklahoma to begin primary school in Catoosa. At age nine he began caddying at the local golf club which led to a lifelong love of the sport. He is a class of 1957 Catoosa High alumni.

Don was the first in his family to complete a college education, he graduated from Northeastern State College with a Bachelor of Science in Education in 1962. He credits athletics for helping him complete his schooling. Don played college level football, basketball, and golf. He later earned a Master's in Teaching Science from University of Arizona.

He attended Army Basic Training at Fort Leonard Wood, Missouri and served in the Army National Guard. He moved to Hayden, Arizona to accept a job teaching middle school science and retired from Ray High School in 1992 after 30 years with the district. He enjoyed coaching basketball but thrived when asked to establish the Ray High Golf Team in 1969. Under his mentorship many students' golf talents flourished which led the team to a state championship in 1977.

Don married Carol Ann Crum of Hayden in June of 1964. They became the parents of three daughters, Heidi, Staci, and Darci. Although the marriage dissolved after 11

years, the two remained amicable. Don made every effort to spend time with his girls, and many adventures were shared. Favorite memories include camping, fishing, playing frisbee and hitting lots of golf balls at the driving range.

Summers and post-retirement for Don were spent on the road in his van excelling in golf tournaments, bagging trophies and good times. In his later years, time spent with his family became his joy and drive, as he traveled to share tall tales and playful teasing with his grandkids. He could often be found sitting in the shade, red pen and crossword puzzle in hand.

Characterized by his humility, dry humor, and athletic drive, Don never gave up. As he aged, he faced physical hardships that required him to relearn how to walk, not once but five times. He was always ready with a witty remark or well-timed eye roll, which endeared him to all who worked with him.

Don was smart enough to tease you but kind enough to wait for you to get the joke. He could play any prank with a straight face but was often betrayed by the mischievous smile behind his eyes. Upon seeing his own obituary in the newspaper, we feel certain he would give a dramatic sigh and say, "I guess anything qualifies as news these days".

He is survived, cherished, and dearly missed by his three daughters and sons-in-law, Heidi (Scott) Hansen, Staci (Keith) Pyers, and Darci (Thomas [TJ]) Kneale; 10 grandchildren, and five great-grandchildren. There will be no formal services. Our family would appreciate shared memories on his Facebook page.

"As you walk down the fairway of life you must smell the roses, for you only get to play one round." - Ben Hogan

Condolences may be sent to the family at www.myers-mortuary.com.

She was preceded in death by her mother, father, spouse and significant other.

A week of fire! Simmons Fire under containment

On Tuesday, May 28, a fire got started near the community of Riverside, roughly 4.5 miles northwest of Kearny. The fire quickly burned through dry brush, trees and organic matter, destroying four primary structures with it as the fire blazed through the area; five other structures were damaged. It was announced that the fire was human caused but further details have not been released.

The community of Riverside was forced to evacuate

their homes and remained on GO status through Friday afternoon. The area north of Kearny was put on a SET order, which means residents may have to evacuate. The fire was contained in a way that those residents were not forced to evacuate and everyone was placed back to a ready status.

Cooler nights and calm winds help to tamp down the fire during the overnights. A type three wild land fire crew

from Nevada was dispatched to the fire and with the help of hand crews, and aerial fire fighting, they were able to gain ground on the fire.

At press time, the fire consumed 351 acres and is 85% contained with no new growth being reported. The Type Three team was released from the fire and the Arizona Department of Forestry and Fire Management have regained command of the fire.

The Simmons Fire rages through the community of Riverside.

Ray District High School names baseball field in honor of former Coach Gerry Peters

By Frank Giroux
Special to Copper Area News

The Bearcat Community recently gathered to recognize and honor the contributions of one good man to generations of student athletes.

The Ray District High School baseball park is now to be known, forevermore, as the "Coach Gerry Peters Field."

Coach D. G. (Gerry) Peters began his career as an educator in 1963 and did so at Ray High School. Academically, he taught the art of mechanical design and drafting (the discipline of pencil, pen and ink; long before the computer) as well as skills in building treasure from wood. Many of his students still have projects of long ago lovingly created for family. Skill taught in the classroom went on to serve his students well in their efforts to make things better.

Coach Peters' dedication to education and athletics is a

testament to champions on and off the field. Beginning in 1963 and continuing for 32 years; Coach Peters served as Head Varsity Baseball Coach for a record of 216 wins, 112 losses, 3 Division Championships and 3 Arizona State Championships (1967, 1979 and 1981). Under his leadership, 33 Bearcat athletes were chosen for all-state teams and Coach Peters was selected as Baseball Coach of the Year in 1967, 1968, 1969 and 1975.

Throughout his career, Coach Peters designed and constructed training equipment and facilities to develop champions. His batting cages, pitching machine adaptations, batting equipment and regimen, to include designing and building the majority of the equipment for the Ray High Weight Room, created a legacy of excellence and winning.

In addition, as a member of the Elks Club, Coach Peters organized the first Pitch, Hit and Throw competition for the families of Kearny. His dedication to his students

went further in above and beyond; as some went off to serve the country as soldiers under arms at war, Gerry Peters assisted in looking after their family needs at home.

I for one can testify of his love and commitment to looking after my father's pain with Post Traumatic Suffering of World War II and worry as I engaged in Vietnam. Gerry's fidelity took much time, and all during his efforts with building championships for RHS; continuing 14 years until my father's passing.

On April 22, 2024, several of Coach Peters' initial student athletes were present to enjoy the long overdue recognition of this fine man. His commitment to community and developing future generations stands worthy of respect and as example to follow.

Author's Note: Sincere appreciation to David Orzell and Dawn Peters-Camacho for their providing historical detail.

Family and friends of former Ray High School Baseball Coach Gerry Peters were on hand to congratulate him after the Ray High School Baseball Field was renamed in his honor. Congratulations, Coach!

NOTICE AND CALL OF SPECIAL ELECTION

TO THE QUALIFIED ELECTORS OF RAY UNIFIED SCHOOL DISTRICT NO. 3 OF PINAL COUNTY, ARIZONA:

A special election will be held in Ray Unified School District No. 3 of Pinal County, Arizona (the "District"), on November 5, 2024. The purpose of the election is to permit the qualified electors of the District to vote on authorizing the District to adopt a General Maintenance and Operation Budget that includes an amount of up to 10% in excess of the District's revenue control limit for the fiscal year 2025/2026 and for six subsequent years (subject to certain reductions provided by statute in years six and seven). The District's current budget override is by law required to be reduced by one-third in each of the next two fiscal years. Because the existing override reduces by one-third in fiscal year 2025/2026, the proposed override budget will exceed the 2025/2026 alternate budget by one-third of the override amount (approximately \$113,508) and the District's secondary tax rate required to fund this amount is estimated to be \$0.27 per one hundred dollars of net assessed valuation for secondary property tax purposes. The full budget override amount is estimated to be \$340,524 and would be funded by an estimated \$0.81 tax rate per one hundred dollars of net assessed valuation, which is approximately equal to the current tax rate levied for the existing override. In future years the amount of the increase will be as provided by law. The election will be held at the following polling places:

Visit my.arizona.vote and choose "Find your polling locations" for a list of Vote Centers or contact the Pinal County Elections Department at (520) 866-7550. The polls will open at 6:00 a.m. and close at 7:00 p.m. The last day to register to vote in order to be eligible to vote in this election is Monday, October 7, 2024.

Any qualified elector is eligible for early voting. Early voting materials may be obtained by contacting the Pinal County Elections Department, 188 S. Main Street, Coolidge, AZ 85128; telephone: (520) 866-7550. For more information about the foregoing, please review A.R.S. § 15-481, or contact the Ray Unified School District, 4825 E. Roosevelt Street, Phoenix, AZ 85008; telephone: (602) 629-6400.

AVISO Y CONVOCATORIA A LA ELECCIÓN ESPECIAL

PARA LOS ELECTORES CALIFICADOS DEL DISTRITO ESCOLAR UNIFICADO NÚM. 3 DE RAY DEL CONDADO DE PINAL, ARIZONA:

Una elección especial se celebrará en el Distrito Escolar Unificado Núm. 3 de Ray del Condado de Pinal, Arizona (el "Distrito"), el 5 de noviembre de 2024. El propósito de la elección es permitir que los electores calificados del Distrito voten sobre si autorizan al Distrito para que adopte un Presupuesto de Operación y Mantenimiento General que incluye un importe de hasta un 10% sobre el límite de control de ingresos para el año fiscal 2025/2026 y por seis años subsiguientes (sujeto a ciertas reducciones especificadas por ley en el año seis y siete). El aumento del presupuesto actual del Distrito por ley requiere su reducción en un tercio en cada uno de los dos años fiscales siguientes. Puesto que el aumento existente se reduce en un tercio en el año fiscal 2025/2026, el aumento propuesto del presupuesto excederá el presupuesto alterno del 2025/2026 en un tercio del monto de aumento (aproximadamente \$113,508) y la tasa de impuestos secundaria del Distrito que se requiere para financiar este monto se estima que es \$0.27 por cien dólares de la valoración tasada neta para propósitos de impuestos secundarios sobre la propiedad. Se estima que la cantidad total de aumento al presupuesto es de \$340,524 y será financiada por una tasa de impuestos estimada de \$0.81 por cien dólares de la valoración neta tasada, que aproximadamente es igual a la tasa de impuesto actual que se grava por el aumento existente. En años futuros la cantidad del aumento será como lo dispone la ley.

La elección se llevará a cabo en los siguientes centros de votación: Visite my.arizona.vote y seleccione "Encuentre sus lugares de votación" para obtener una lista de centros de votación o comuníquese con el Departamento de Elecciones del Condado de Pinal al (520) 866-7550. Los centros se abrirán a las 6:00 a. m. y cerrarán a las 7:00 p. m. El último día para registrarse para sufragar, con el fin de ser elegible para votar en esta elección, es el lunes 7 de octubre de 2024.

Todo elector calificado es elegible para votar en forma anticipada. Para obtener los materiales de votación anticipada, comuníquese con Pinal County Elections Department, 188 S. Main Street, Coolidge, AZ 85128; teléfono: (520) 866-7550. Para información adicional respecto a lo anterior, revise los Estatutos Revisados de Arizona, sección 15-481, o comuníquese con Ray Unified School District, 4825 E. Arizona Water Company (the "Company") has released its 2023 Water Quality Report (Consumer Confidence Report) for its Winkelman water system, PWSID 04-003. The Company will not be mailing a copy of the report to its customers, because Arizona Administrative Code R18-4-117, granted a mailing waiver to small water systems with a population less than 10,000 people. Copies are now available: at the Oracle office located at 470 E. American Avenue; via mail by sending a request to Arizona Water Company, P. O. Box 5209, Oracle, AZ 85623; via our website at www.azwater.com; or by calling the local office at 520-385-2226. The entire report is also printed in the newspaper today. The Company recommends that customers serving more than one housing unit post a copy of the 2023 Water Quality Report in a conspicuous place.

Arizona Water Company provides groundwater to its Winkelman customers from wells located throughout the Winkelman area.

All water samples are collected by state-certified employees of Arizona Water Company or by the Arizona Department of Environmental Quality ("ADEQ"). Samples are analyzed by state-certified independent laboratories and the results are forwarded to ADEQ. The following report provides detailed information about the quality of the water delivered to customers. The water supplied by Arizona Water Company complies with all state and federal safe drinking water standards and regulations.

*Proposed (non-enforceable and non-regulatory)

Your drinking water complies with the United States Environmental Protection Agency's ("USEPA") safe drinking water standard for arsenic, though it contains low levels of arsenic. USEPA's safe drinking water standard balances the current understanding of arsenic's possible health effects against the costs of removing arsenic from drinking water. USEPA continues to research the health effects of low levels of arsenic, which is a mineral known to cause cancer in humans at high concentrations and is linked to other health effects such as skin damage and circulatory problems.

Arizona Water Company is publishing this notice to inform its customers about the presence of Per- and Polyfluoroalkyl Substances ("PFAS") in drinking water. The test dates and test results are shown in the table above. USEPA's proposed Maximum Concentration Level ("MCL") and/or Hazard Index ("HI") for PFAS are non-enforceable and non-regulatory.

USEPA's proposed MCL and/or HI for PFAS offer information that indicates the safe levels of exposure to these individual PFAS. If you are concerned about potential health effects from exposure to these PFAS above the MCL and/or HI, contact your doctor or health care professional.

For more detailed information and USEPA's answers to questions about its PFAS proposed MCL and/or HI, visit:

- USEPA's Fact Sheet for the Proposal to Limit PFAS in Drinking Water March 2023 https://www.epa.gov/system/files/documents/2023-04/Fact%20Sheet_PFAS_NPWDR_Final_4.4.23.pdf

Public Notice

For more information about what ADEQ is doing about PFAS in Arizona, visit: <https://azdeq.gov/pfas-resources>.
Note: In addition to the constituents listed in this report, Arizona Water Company conducted monitoring for over 80 additional constituents and the results show none of those constituents were detected in the water. Data presented are from the most recent testing done in accordance with applicable regulations. Some constituents are monitored less frequently than once a year because either their concentrations do not change frequently, or they are not likely to be detected. Therefore, some of the water quality testing data contained in this report, although representative, may be more than one year old. If you have questions about this water quality report please contact Regina Lynde, Environmental Compliance Manager, Arizona Water Company, P. O. Box 29006, Phoenix, Arizona 85038-9006; telephone (602) 240-6860 or e-mail mail@azwater.com.

In 2000, ADEQ completed a Source Water Assessment of the water sources used by Arizona Water Company's Winkelman water system. ADEQ reviewed the adjacent land uses that may pose a potential risk to the water sources. ADEQ determined that activity on adjacent land use poses a high risk to two water sources. Arizona Water Company regularly monitors drinking water sources to make sure your drinking water complies with the Safe Drinking Water Act.

The complete Assessment is available for inspection at ADEQ, 1110 West Washington Street, Phoenix, Arizona 85007, between the hours of 8:00 a.m. and 5:00 p.m. Electronic copies are available from ADEQ at recordscenter@azdeq.gov. For more information visit ADEQ's Source Water Assessment and Protection Unit website at: www.azdeq.gov/node/735.

The USEPA and ADEQ require Arizona Water Company to provide the following information:

Coliforms are bacteria that are naturally present in the environment and are used as an indicator that other, potentially harmful, waterborne pathogens may be present or that a potential pathway exists through which contamination may enter the drinking water distribution system. If coliform is found, then the system is responsible to look for potential problems in water treatment or distribution. When this occurs, the water system is required to conduct assessment(s) to identify problems and to correct any problems that were found during these assessments.

During the past year, we were required to conduct one Level 1 Assessment. One Level 1 Assessment was completed, and submitted to ADEQ by the deadline. We were not required to take any corrective actions based on the Assessment.

Drinking water, including bottled water, may reasonably be expected to contain at least small amounts of some constituents. The presence of constituents does not necessarily indicate that water poses a health risk. More information about constituents and potential health effects can be obtained by calling the USEPA's Safe Drinking Water Hotline (800-426-4791).

Some people may be more vulnerable to constituents in drinking water than the general population. Immuno-compromised persons such as persons with cancer undergoing chemotherapy, persons who have undergone organ transplants, people with HIV/AIDS or other immune system disorders, some elderly, and infants can be particularly at risk from infections. These people should seek advice about drinking water from their health care providers. USEPA/CDC guidelines on appropriate means to lessen the risk of infection by Cryptosporidium and other microbial constituents are available from the Safe Drinking Water Hotline (800-426-4791).

The sources of drinking water (both tap water and bottled water) include rivers, lakes, streams, ponds, reservoirs, springs, and wells. As water travels over the surface of the land or through the ground, it dissolves naturally-occurring minerals and, in some cases, radiological material, and can pick up substances resulting from the presence of animals or from human activity.

Constituents that may be present in source water include:

- Microbials, such as viruses and bacteria, which may come from sewage treatment plants, septic systems, agricultural livestock operations, and wildlife.
- Inorganics, such as salts and metals, which can be naturally-occurring or result from urban stormwater runoff, industrial or domestic wastewater discharges, oil and gas production, mining, or farming.
- Pesticides and herbicides, which may come from a variety of sources such as agriculture, urban stormwater runoff, and residential uses.
- Organics, including synthetic and volatile organic chemicals, which are byproducts of industrial processes and petroleum production, and can also come from gas stations, urban stormwater runoff, and septic systems.
- Radiological material, which can be naturally-occurring or be the result of oil and gas production and mining activities.

In order to ensure that tap water is safe to drink, USEPA prescribes regulations which limit the amount of certain constituents in water provided by public water systems. FDA regulations establish limits for constituents in bottled water which must provide the same protection for public health.

If present, elevated levels of lead can cause serious health problems, especially for pregnant women and young children. Lead in drinking water is primarily from materials and components associated with service lines and home plumbing. Arizona Water Company is responsible for providing high quality drinking water but cannot control the variety of materials used in plumbing components. When your water has been sitting for several hours, you can minimize the potential for lead exposure by flushing your tap for 30 seconds to 2 minutes before using water for drinking or cooking. If you are concerned about lead in your water, you may wish to have your water tested. Information on lead in drinking water, testing methods, and steps you can take to minimize exposure is available from the USEPA's Safe Drinking Water Hotline or at <http://www.epa.gov/lead>.

DEFINITIONS, ABBREVIATIONS, AND UNIT DESCRIPTIONS:

- Action Level = The concentration of a constituent which, if exceeded, triggers treatment or other requirements which a water system must follow.
- CDC = United States Centers for Disease Control and Prevention
- FDA = United States Food and Drug Administration
- Level 1 Assessment = A Level 1 Assessment is a study of the water system to identify potential problems and determine (if possible) why total coliform bacteria have been found in our water system.

Local business adopts Vietnam Memorial in San Manuel

By Nathaniel A. Lopez
Copper Area News

“All gave some, some gave all” and “Freedom is not free” are two sayings that can be read on the memorial sign that is located at the bottom town in San Manuel, along Veterans Memorial Highway.

In the past, this memorial sign was kept-up by longtime resident, Bill Haro, who would change worn out Arizona and American flags, or flowers. Before letting go of the up-keeping duties, Bill wanted to find a local company that would honor

the legacy of those past Tri-Community soldiers.

The Flower Mine, San Manuel’s premium cannabis grow facility, answered the call. The Flower Mine is proud to employ those who have served, and even more proud to honor those who gave all. Employees of The Flower Mine helped add a fresh coat of paint to the memorial sign, as well as updating worn out flags and flowers.

This past Memorial Day, members of the community gathered to honor those who gave all. The event, thrown together by TFM’s head of security, ID Navarro, was

attended by members of the San Manuel Revitalization Coalition, the San Manuel Fire Department, and VFW Post 2726.

Haro gave a small speech, about the handoff of the sign’s care to The Flower Mine, as well as stating, “This is what today is about, honoring those who fought for our freedom, and remembering our seven heroes.”

“The Flower Mine is honored to accept this responsibility,” Navarro said.

“We want to be a great big part of the community.”

VFW Post 2726 played Taps in memorial of those who lost their lives in the fight

for freedom.

The Tri-Community has seven courageous men whose names and pictures are on the memorial sign. Those men served in Vietnam and were never able to come back to the Tri-Community that they called home. Those men were: San Manuel’s Norman Garrett PVT US Army, Tony R. Arriaga SGT US Army, Allen Ingram LCPL USMC, Gary Graves TM3 US Navy, Mammoth’s Johnny M. Garcia PFC US Army, Arthur M. Garcia SGT USMC, and Oracle’s Mark A. Bateman CPL US Army.

Thank you for your service.

Members of The Flower Mine, SMFD, and VFW Post 2726 gather for a photo around Bill Haro.
