Progress in the Town of Superior

Summer is in full swing, and Superior continues to shine with progress and partnerships that move our community forward! Thank you to Resolution Copper and the Town of Superior for hosting an amazing Independence Day celebration, it is wonderful to share the excitement of fireworks for everyone in the community to see and experience in a safe manner.

During the July council meeting, we approved contracts for the preconstruction of the pipeline for the Queen Creek Restoration Project. This is a key step in restoring our treasured riparian area and ensuring water sustainability for generations to come. This project is one of the latest projects to go from plans on paper into a construction phase. We couldn't be more proud to bring this decades old project to life.

Council finalized the FY 2025-26 budget, a balanced and thoughtful plan that prioritizes infrastructure, public safety, economic development, and quality of life, reflecting our shared vision for a thriving Superior. While we are anticipating revenue short falls due to the State of Arizona's Flat Tax, our budget is still focussed on maintaining our staffing levels and caring for our residents.

Another major milestone this summer is the release

of the Draft Record of Decision (ROD) and Final Environmental Impact Statement (FEIS) for the Resolution Copper Project. This marks an important point in the federal process, and we remain deeply engaged in conversations with the Tonto National Forest and Resolution Copper about how to ensure mining and environmental stewardship go hand in hand. This is work that we have given a great deal of focus to in order to ensure that this mining project remains a net positive for our community for generations to come. As the Record of Decision is signed, we as a community will see many developments from new jobs added into the our local workforce pipeline, campground construction at the Castleberry property and many of our mitigation agreements begin to take effect. There will be additional work on our local infrastructure and increased staffing for our police, fire and emergency services as the Resolution Copper project moves into their construction phases. This is truly an exciting time for our community.

Just in time for school to start, we can all celebrate the completion of the Panther Drive Bridge project. This bridge has been a long time coming and will improve safety and connectivity for our students, families, and residents.

A big thank you to our Parks & Recreation team, Swimming Pool and Library staff along with the Institute Digital Inclusion and Acceleration - Digital Navigators at

Richard E. Alvarado Jr.

It is with great sadness that we announce the passing of Richard E. Alvarado Jr. after his battle with cancer. He took his last breath peacefully at 1 a.m. on July 12, 2025, after his wife hugged him goodnight. His last days were surrounded by the outpouring love from family and friends at home in Mesa, Arizona. Richard was born in Globe, Arizona on Oct. 20, 1975. He was raised in Superior and Mesa, Arizona. He is survived by his parents, Richard Alvarado Sr. (Donna) and Angie Denogean; his siblings, Jessie (Abel), Autry (Cara), and Andrea “Kita”; and his loving wife of 17 years, Monique. He also leaves behind his children, Serenity (Missael), Joe (Griselda), Jacob (Jillian), Israel, and Maritza. He was the proud Tata to MJ, Zelda, Mykaela, Atlas, Mila, Enzo, Romeo, and Ezra. Richard will be fondly remembered by many cousins, friends, and the entire community. If you could describe him in one word it would have to be selfless. There’s nothing he wouldn’t do for the people he loved. Although he may have looked like a grizzly, he was definitely a teddy bear. He was the type of man that would give you the shirt

off his back. For many years he was a proud member of the United Car Club. Richard will be remembered for his devotion to the lowrider community, his enjoyment of going to the casinos, and most importantly his passion for sales. Whether he was selling cars, tires, or just having a yard sale he was known for his exceptional ability to hustle. He could sell ice to an Eskimo. Although his life was cut short, his legacy will live on through his kids and grandkids. Richard will be greatly missed by all who had the pleasure of knowing him. Services will be held at the St. Francis of Assisi Catholic Church Saturday, July 26, 2025. Visitation will be at 9 a.m., Rosary at 9:30 a.m. and the Mass of Christian Burial will be celebrated at 10 a.m. Interment will be at Fairview Cemetery and a Luncheon will follow at Los Hermanos Ballroom.

He worked as a journeyman welder at Phelps Dodge in New Mexico until he transferred to BHP in San Manuel,

Dennis was a man of many interests: a collector of coins and gemstones, a creative writer, a cook and a baker. He loved gardening, cooking for his family, camping, hunting, fishing, watching movies, music and astrology. Our dad was a man who loved deeply, laughed easily, and lived with an open heart. He was a storyteller, a hard worker, a family man, and a dreamer. Dennis Graham will be cremated. Services for Dennis will begin with full military honors just before 11 a.m. on July 26 at Santa Catalina Catholic Church, located at 14380 N. Oracle Rd. in Catalina. We ask our guests to kindly arrive at 10:30 a.m.

1. The Department of Child Safety has filed a Dependency Petition pursuant to Title 8, of the Arizona Revised Statutes, Rules 4.1 and 4.2 of the Arizona Rules of Civil Procedure and Rule 329 of the Rules of Procedure for the Juvenile Court.
2. The Court has set a Publication hearing on the 7th day of October, 2025 at 9:00 a.m., at the Pinal County Superior Court, 971 North Jason Lopez Circle, Florence, Arizona 85132, before the Honorable Jamie R. 4. You have a right to appear as a party in this proceeding. You are advised that your failure to personally appear in court at the initial hearing, pretrial conference, status conference or dependency adjudication, without good cause shown, may result in a finding that you have waived your legal rights and have admitted the allegations in the Petition. In addition, if you fail to appear, without good cause, the hearing may go forward in your absence and may result in an adjudication of dependency, termination of your parental rights or the establishment of a permanent guardianship based upon the record and the evidence presented to the court, as well as an order of paternity, custody, or change of custody in a consolidated family law matter and an order for child support if paternity has been established.
5. Notice is given that DCS is proposing to substantiate any allegations of abuse and/or neglect contained in the dependency petition for placement in the DCS Central Registry. The DCS Central Registry is a confidential list of DCS findings that tracks abuse and neglect. If the court finds your child dependent based upon allegations of abuse and/or neglect contained in the dependency petition, you will be placed in the DCS Central Registry. See A.R.S. § 8-604.

Shopping Local: Superior Farm to Fantastic Market

The Superior Farm to Fantastic Market has been operating in Downtown Superior since 2018. The market operates every Saturday from September through May and during the summer they operate indoors at the Superior Chamber of Commerce usually twice a month. The market is held at the Farmers Market Food Court park on Main Street, except during inclement weather where it is held at the Superior Chamber of Commerce office.

The market got its origination through the Copper Communities food hub study which was conducted in 2016 through 2018. The study identified what types of fresh local food were made or grown in the Copper Corridor region and what types of food was locally grown or produced. With the diversity of elevation within the Copper Corridor, the study identified that the region was ideal for growing a variety of local food.

While local food growing has remained limited, the market works with an organization called Sun Produce which works with local organic farmers across the state to procure a variety of local produce. Often locally grown citrus, plant starts and other vegetables are donated to the market for sale.

The original study also identified that local food

entrepreneurs needed access to commercial kitchens. The Superior Senior Center operated by the Town of Superior can be rented as a certified commercial kitchen. Plans are currently underway to begin remodeling and construction in the original home economics lab at the Superior Multi-Gen Center (original Superior High School) to increase capacity to accommodate food entrepreneurs. This work will be completed with funding from Rebuild Superior Inc and the Superior Enterprise Center.

The Copper Corridor region has excelled at attracting

our beautiful landscapes and providing a new way for residents and visitors to enjoy Superior. We appreciate the financial support from the Windus family who donated the funds in effort to build the park! Keep an eye out for the course begin construction soon at the U.S. 60 Park.

From budget approvals to bridge completions, parks programs and pipeline contracts, Superior is proving that

when we work together, we achieve remarkable things. Let's keep the momentum going! Together, We are Superior!

many home bakers and other food producers who make their products under the home cottage license. Brick House Bakers, a well known bread maker, has been a long standing maker at the market, with many people traveling to Superior or the Globe Miami Farmers market to purchase their unique and healthy bread. Local eggs and honey are also usually available for sale and the Farm to Fantastic Market will also take pre-orders for produce for those who might not be able to attend the market on Saturday. For those with a sweet tooth, there are many local bakers who sell everything from cinnamon rolls, brownies, cookies and more. A

variety of creams and lotions are also sold at the market. The market operates from 10 a.m. to 1 p.m. throughout the year on Saturdays. With support from the Town of Superior vendors are not charged a fee to sell their products and do not need to pay any sales percentage fees. The market is open for vendors across the Copper Corridor and Pinal County. In addition to local produce, honey, eggs and baked goods, the market also allows local crafts and artisans to sell at the market. Art 145, a local art gallery and venue for art classes, will often sell a variety of ceramics at the market. During the fall months there are also themed

markets for Halloween, Thanksgiving and Christmas. Dates have not been set for the specialty markets but are expected to be announced soon. With the annual Prickly Pear Festival scheduled for Aug. 23, 2025, market coordinators are accepting additional produce, baked good and artisan booths for the market. It is recommended to those interested to sign up soon as space it often fills quickly. For more information on how to become a vendor at the Farm to Fantastic Market please call Deb Sears directly at 703-994-9935 or email the CCEDC at azccedc@gmail.com.
