Gayle was a graduate of Globe High School and later attended the University of Arizona. She chose to follow in her father's footsteps and pursued a lifelong career in community journalism.

She met her husband James at a Christmas party while working at a daily newspaper in Marshall, Texas. The couple had planned a May wedding, but decided to wed sooner as they loved each other and really didn't want to wait. They were married in April 1971. Their first son

Michael was born two years later, and the family moved back to Arizona to work at their family newspapers in Kearny, San Manuel and Superior. Their second son Kevin was born in 1974.

She attended church throughout her life and was a devout Christian. She was a member of the San Pedro Valley Baptist Church where she played the piano and served as treasurer.

Gayle was named the Copper Basin Citizen of the Year for 2002 in appreciation of her volunteer work with the Copper Basin Chamber of Commerce. Gayle was also instrumental in the creation of the Arnold P. Mariscal award given to volunteers who had gone above and beyond for their communities.

Gayle was preceded in death by her parents, John D. and Lois Seater, and her stepmother, Patricia Seater.

She leaves behind her husband of 53 years, James Carnes; son and daughter-in-law, Michael and Jennifer Carnes; son, Kevin Carnes; beloved granddaughter, Lauren Carnes; brother and sister-in-law, Rick and Jean Seater; and nephews, David Seater and Brian Seater.

In lieu of flowers, the family suggests donations be made in Gayle's name to the American Diabetes Association.

## OBITUARIES

# Ada Mae Wilson

Ada Mae (Jeffrey) Wilson was born in a tent outside of Superior, Arizona on Oct. 21, 1935, to her parents Homer Clifford and Sarah Cecelia Jeffrey. She was so tiny her first cradle was a shoebox on the back

of the woodstove; Barbara Olney came a few years later, making Ada an older sister.

She spent her early years surrounded by family, spending many hours climbing

hills and riding horses through her beloved desert. She slept under the open night sky as often as she was allowed.

After graduating high school, she married Harry Wilson and they shared almost 60 happy years together. They were the proud parents of daughters, Carol and Cynthia. Ada took great joy in raising her daughters and was very proud of the women they became. Ada loved her sons-in-law, Lonnie Brown and Terry Azbill. She cherished all of her posterity including grandchildren, Robert, Clinton, Aaron, Matthew, Alisa, Clayton, and Brittney; 15 great-grandchildren; and two great-great-grandchildren.

She moved with her family from the hot desert to the cold mountains of Flagstaff where she babysat and raised Siamese kittens. After seven years, Harry was transferred to Phoenix and the family moved with him. She began her banking career there and spent over 20 years working with numbers, which went against her high school counselor's career

recommendations.

Later in life, Ada joined the Church of Jesus Christ of Latter-day Saints and served diligently in Relief Society and other callings for the rest of her life. Harry Wilson supported her in her callings, even when he was "voluntold" to help.

Ada left a legacy of kindness, patience and love of animals. She was a warm and gentle soul who saw the best in those around her. She passed away peacefully in her sleep on July 13, 2024, and will be greatly missed by family and friends.

There will be no services at this time. In lieu of flowers the family asks that you give a box of See's candy to someone you love in her honor (that person can be yourself).

# Safety drives highway closures during wildfire season

PHOENIX – It's summer in Arizona and with that comes blistering heat and wildfires that can cause travelers delays when there's an unplanned highway closure.

During these highway closures, the Arizona Department of Transportation sometimes receives questions on social media that ask a variation of: The wildfire isn't near the highway so why is the road closed?

ADOT and the Arizona Department of Forestry and

Fire Management want people to know that the answer is safety — for the traveling public and first responders.

When a brush fire ignites, there are a few reasons for a full highway closure or for lane restrictions to be implemented.

Brush fires can be fast moving and with multiple agencies responding, it can take time to figure out who needs to go where and establish where the fire is

spreading. In some instances, the highway will be shut down briefly to allow crews and firefighters the space to assess the situation and position people where they need to be to fight the fire.

"We try to keep the closures as short as possible and give the traveling public at least a lane," Brett Rupp, an ADOT highway maintenance supervisor in Payson, said. "But depending on the size or location of the fire, it's not safe for vehicles to travel past a fire. We do what is safest for everybody who is out there, from the boots on the ground to the traveling public."

Wildland firefighters sometimes must park their trucks and vehicles on the highway to do their job effectively, which may necessitate a lane closure for an extended period of time. Helicopters carrying hundreds of gallons of water to dump on the fires may also stage on the highway itself because it's a convenient location for operators to set up a portable dip tank to replenish water quickly and head back out.

Low-flying aircraft dropping retardant is also a safety issue for those on the ground, including motorists.

"Those aircraft fly so low it's a safety concern. They're trying to get as low as possible to drop the retardant, and they don't want to impact the traffic. There's always a risk you take with flying aircraft, and we don't want to put the public and drivers in harm's way," Tiffany Davila,

## New store officially opens in Oracle

On Saturday, July 6, the new Dollar Tree/Family Dollar in Oracle held its grand opening. It has been many years since the former Family Dollar closed, and now sits as Oracle's Sun Life Clinic. This new Family Dollar/Dollar Tree combo store started being built last year, and has finally opened its doors. Staff held a ribbon cutting ceremony, celebrating the fresh start in Oracle. Free Hot Dogs, Dirty-Sno snowcones and prizes were offered to patrons in attendance, there was also face-painting for kids, and a DJ playing music. Stop in and see what deals you can find at the now open store!

# WILDFIRE ROAD CLOSURES

Continued from page 7

public affairs officer for the Arizona Department of Forestry and Fire Management said. Smoke coming from fires

can also reduce visibility, which is hazardous for drivers. And although a wildfire may appear miles away from the highway, firefighters can often predict the direction the fire is headed and will make decisions to keep everyone safe.

“If they know in an hour the fire will impact, for example, Interstate 17, they’re going to start calling for road closures immediately because it’s going to take that long to clear the highway and get those drivers off the road,” Davila said.

ADOT and AZDFFM work closely with local, state and federal agencies, including the U.S. Forest Service, the Arizona Department of Public Safety and others

to make determinations of when highway closures may be needed during wildland fires.

“Safety drives these decisions,” Rupp added. “We don’t want motorists driving through raging flames and we don’t want personnel worrying about oncoming cars when they’re trying to get from the median to the other side of the road while a fire burns.”

When a highway closes, it’s natural for motorists to consult a navigation app or GPS unit to explore alternate routes. But drivers need to apply common sense to a computer’s suggestions, starting with not taking vehicles that aren’t up to the task down unpaved

roads.

We can all do our part to help reduce the chances of igniting wildfires while driving (and the delays associated with it) by doing the following:

- Avoid parking your vehicle on dry grass or driving through tall grass because heat from the underside of your vehicle can start a fire.
- Never throw a lit cigarette out of a vehicle.
- Make sure trailer chains are securely attached. Loose chains can drag on the pavement, shooting sparks off the road and

into dry brush and grass.

• Check tire pressure before you travel. Exposed wheel rims can cause sparks on the asphalt.

ADOT wants to make sure that drivers are prepared when they head out on road trips, and unexpected delays, like wildfires, can add extra travel time.

Make sure you pack an emergency travel kit that includes plenty of extra water, healthy snacks, sun protection — such as sunscreen, sunglasses or a hat — a fully charged cell phone and any prescription medication.

Be patient and be prepared. If you are waiting in a backup on a highway that is closed (whether it’s for a brush fire, a crash or other active incident) stay in your lane and do not exit your vehicle. Do not drive onto the shoulders of the highway as first responders use that lane.

“Give crews room to get by,” Rupp said. “The sooner we can get to the incident scene, the sooner responders can do the work that needs to be done and open the highway safely for everyone.”

1. The Department of Child Safety has filed a Dependency Petition pursuant to Title 8, of the Arizona Revised Statutes, Rules 4.1 and 4.2 of the Arizona Rules of Civil Procedure and Rule 329 of the Rules of Procedure for the Juvenile Court.

2. The Court has set a Publication hearing on the 10th day of September, 2024, at 1:30 p.m. at the Pinal County Superior Court, 971 North Jason Lopez Circle, Florence, Arizona 85132, before the Honorable Jamie R. 4. You have a right to appear as a party in this proceeding. In addition, if you fail to appear, without good cause, the hearing may go forward in your absence and may result in an adjudication of dependency, termination of your parental rights or the establishment of a permanent guardianship based upon the record and the evidence presented to the court, as well as an order of paternity, custody or change of custody in a consolidated family law matter and an order for child support if paternity has been established.

5. Notice is given that DCS is proposing to substantiate any allegations of abuse and/or neglect contained in the dependency petition for placement in the DCS Central Registry. # It's time to visit Oracle State Park's Kannally House

If you haven't visited the Kannally Ranch House at the Oracle State Park, now might be the time! Guided tours will begin again this fall, but until then, you can take a self-guided tour. The Ranch House is of Mediterranean Revival Style with Moorish influences, a pamphlet provided by the park says. It was built in 1929-1932 and cost \$30,000. There are no bedrooms in the main house, built in four levels. Plans were drawn for a four-bedroom addition in 1937, but the construction was never begun. The Kannally Ranch at its largest was almost 50,000 acres or 78 square miles. All but six sections (approximately 4,000 acres) was sold to Magma Copper Company in 1952. The Oracle State Park main entrance is located on Mt. Lemmon Highway. Summer hours are 6 a.m. to 3 p.m. daily (the exit gates close at 4 p.m.). Park entrance fees are: \$7 per vehicle (1-4 adults) and \$3 individual/bicycle. For more information, please call 520-896-2425.
