Roses building. She took advantage of the opportunity to move to her new location at 145 Main Street, being able to expand her menu, extend seating and creating a new space for all to enjoy.

Nancy is a musician at heart, having grown up with a jazz musician father. She began cooking and preparing food at the age of 18. She was drawn to preparing meals because of the memories her beloved grandparents and parents created around the dining room table.

When you stop by Bella's on Main, not only will you enjoy great food prepared with the freshest ingredients, but you will also find many artifacts of movies made in Superior, most created by Billy Holmquist. You will also find personal touches created by Nancy and her husband Scott, from the countertops to the tabletops. At a table you will find the quote "If you really want to make a friend, go to someone's house and eat with him...the people who give you their food, give you their heart" (Cesar Chavez). This holds true when you enter Bella's Café on Main, you will enjoy an exceptional meal with great friends.

Nancy wishes to credit her husband and her family for their patience and hard work for helping creating Bella's. She wishes to extend a heartfelt thanks to the community of Superior for their visits, their support and their love.

Superior School District to host truth in taxation hearing

The Superior School District will host a truth in taxation public hearing on Wednesday, July 10, 2024, at 6 p.m. during the regular July governing board meeting in the governing board room at JFK Elementary School.

The Superior Unified School District is proposing an increase in its primary property levy of \$200,000 over the current level. The increase over the current level is to pay for increased expenditures in those areas where the Governing Board has the authority to increase property taxes for the fiscal year beginning July 1, 2024.

The amount proposed above will cause Superior Unified School District's primary property taxes on a \$100,000 home to be \$67.61.

The increase is needed due to:

• Significant decrease in student enrollment (-30 during 2023/2024 Year)

- Superior High School enrollment under 100 students. Current enrolment projected to be 96.
- Operating under AZ Department of Education "Same Year Funding" Protocols. Major deductions could take place if there is a significant drop in student enrollment.
- Increase inflation and minimum wage increases.
- District need for a new bus (\$261,000)

The Superior Unified School District has a current PreK-12 enrollment of 332 students. SUSD employs roughly 50 full-time employees. SUSD consists of Superior Jr/Sr High School (7-12) and JFK Elementary PreK-6. District Goals include: hiring quality teachers and support staff, improving instructional programs with integrated technology, providing real-world experiences and extracurricular activities for all our students.

OBITUARIES

Eugenia 'Jean' Slater

Eugenia "Jean" Slater passed away unexpectedly on June 10, 2024. She was a beloved mother and grandmother, and an active community member of Kearny for the last 60 years.

Jean was a loving mother and grandmother to her children: daughters, Cathie (Marty) Eroh of Wickenburg, Jeanette (Charie) Bragunier of San Diego and Carla (Mitch) Kettrick of San Diego; and son John (who passed away in 2012). She is also survived by her grandchildren, Matthew and Rachel Eroh; Bella and Austin Ham; Carmen, Dani and Francesca Hettrick; Vanessa Windgarter and Brooke Slater, as well as three greatgrandchildren.

Jean, or Henny as her family and friends called her growing up, was born to Manuel and Isabel Martinez and grew up in the town of Morenci. She graduated from St. Mary's School of Nursing and, later in life, went on to earn her Bachelor of Science in Health.

Jean married Bert Slater on June 6, 1959, and they raised their four children in the community of Kearny, where they owned Bert Slater NAPA Auto Parts store. While her children were young, she did "on call" work at the hospital in Ray and the Kennecott Hospital in Kearny. Later, Jean worked in a variety of community settings, including as the school nurse for Hayden/Winkelman School and as a visiting nurse for the Gila County Public Health Department. As a visiting nurse she conversed in Spanish with the elderly women she cared for, becoming their advocate when needed and holding a special bond with them, because they often reminded her of her own mother. Due to her special efforts as a visiting nurse in the community, Jean was featured in an article in the *Arizona Daily Star*.

Jean loved her community and received a great deal of satisfaction volunteering her time, which included the Kearny Chamber of Commerce, United Methodist Church of the Good Shepherd, and as a volunteer member for the Pinal County Air Quality Control Board. After Bert passed away in 2003, she went on to marry Douglas Hamilton of Tucson, and they continued residing in Kearny.

We will deeply miss her incredible love and support in our lives.

A Celebration of Life will be held on Saturday, July 13, at

11 a.m. at the Church of the Good Shepherd, 617 Senator Chastain Rd., Kearny, AZ. In lieu of flowers, donations can be made in her memory to the Church of the Good Shepherd, Box 729, Kearny, AZ 85137. To help plan for seating, RSVPs are encouraged at jeanslater.memorial@gmail.com.

Tara Walter, Pinal County School Superintendent

believe in term limits. While the Town of Florence does not have term limits set, I am setting the example. I established my priorities and goals, accomplishing them over

the past eight years as Mayor. At this time, I plan to utilize my background, experience, and knowledge of both education and government to make a positive impact for our Pinal County Youth.

I recognized the call to civic duty when I decided to run for Florence Town Council and was appointed to my first term in June of 2012. My council peers selected me to serve as Vice-Mayor in 2014. During the 2016 election, I was elected to a four-year term to serve as the Mayor of the Town of Florence. In 2020, I was

re-elected for a second term as mayor. In addition, I serve on the Arizona Mayors Education Roundtable, Pinal Regional Partnership: First Things First Board, and Pinal County Local Emergency Planning Committee.

I have taught various grade levels from kindergarten through 12th grade since 2000, serving the past 12 years as an administrator. I hold two master's degrees in education from Northern Arizona University, graduating with high honors in Educational Leadership: Principal K-12 and Elementary Education: two bachelor's degrees from the State University of New York in Elementary Education and English (Literature/Writing), and an associate degree in Liberal Arts from Herkimer County Community College. I was provided the unique opportunity to complete the second half of my student teaching experience abroad, in Newcastle Upon Tyne, England. During this experience abroad, I welcomed the opportunity to travel throughout Europe. This experience allowed me to learn and appreciate other cultures and ways of life. As Pinal County School Superintendent,

I will prioritize efficient management with fiscal responsibility, school safety, and teacher support and training. I believe in providing top-notch education for our youth, and I am committed to ensuring that our students have the resources they need to succeed.

I believe that all students have the potential to be successful, and I am dedicated to creating an engaging and safe educational environment for them. I will challenge our students to reach

beyond their expectations and become lifelong learners who will make the world a better place.

I am running for Pinal County School Superintendent because I believe in the power of education to change lives. I ask for your support and your vote to ensure that our students and schools have the best possible chance for success. Together, we can create a brighter future for Pinal County. Vote for Tara Walter for Pinal County School Superintendent.

While many have already begun to focus on the November Presidential election, the primary election scheduled for July 30, 2024, will determine the outcome of several local and county wide elections. Voters should be reminded that early ballots will be mailed on July 1, 2024, and election day is July 30.

As a community service, Copper Area News Publishers offered municipal and county candidates the opportunity to submit a statement in advance of the early ballot mailing. The statements are included below. Copper Area News Publishers does not offer endorsements of any candidate.

Gila County Sheriff candidates debate

Three candidates running for Gila County Sheriff faced off on the evening of Thursday, June 20, in the Bullion Plaza Inspiration room in Miami. Bullion Plaza director, Phil Stewart, served as Moderator for the forum which lasted for about 90 minutes. Incumbent Adam Shephard defends his seat for a fourth term against two Republican challengers. One of those challengers is Tom Morrissey, who lost his election in 2022 for Mayor of Payson after serving two terms. The other is write-in candidate Leonard Kerszykowski, known to most as "Ski", and must be written in as "Lski" on the ballot.

The candidates introduced themselves at the beginning and offered to voters what makes them the best choice in the July 30 primary election. Adam Shepherd reminded the audience that he has been elected to three terms already. He argues that his terms have been marked by success, evidenced by the fact that there are currently more applications to serve as a deputy than there are spots available. Tom Morrissey shared with the audience that he is a retired US Marshal,

recent Mayor of Payson, and one time Arizona GOP chairman. He says his time in politics puts him in a position to get things done in the Sheriff's Office, although says he will serve only one term.

Shepherd was asked about employee retention in the Sheriff's Office and responded that it is difficult to keep good employees who can earn more and pursue better opportunities at other agencies, especially in the Phoenix area. Ski, a retired Gila County Sheriff's deputy of 23 years and K-9 unit, responded that on his first day in office, he would put an end to a culture of favoritism and the "Good ol' boy" club. He went on to say that nepotism in the Sheriff's Office is going to stop and that he is not going to be rewarding bad behavior.

Incumbent Adam Shepherd argued that he took the good work of the previous administrations and brought the Office up to more modern standards with needed vehicles and equipment. Tom Morrissey said that Shepherd has done good work and that he intends to build on that, using his contacts in politics

to make things happen for Gila County. Ski promised to rebuild the Sheriff's Office, that he would contact all those who left in good standing and ask them to return, benefiting from their experience and saving the taxpayers the cost of training all new personnel.

All three candidates pledged to serve out a full term, promising not to retire early and appoint a successor, leaving it for the voters to decide in the next election. A member of the audience asked all three what their response would be to federal agencies infringing on the rights of Gila County Citizens. Tom Morrissey spoke first, saying that he worked as a "fed" and knows the power the federal

government has and what it doesn't have. Morissey said, the Sheriff reports to the People, and the People have the power. Write-in "Lski" spoke next, saying that people are worried about the federal government stepping in here and saying it's time to give up your guns. "Lski" went on to say that this "will not happen, period." He says that if he must, he will deputize citizens off the streets to make sure federal agencies are not able to take the people's guns away. Adam Shepherd answered last saying that federal courts are beginning to crack down on such things. Shepherd said that the Sheriff does not have authority over federal law, but that he can make sure that

the issue goes to a "court of competency" instead of "some kind of fiat".

Several of the Gila County races, including the race for Sheriff, have only Republican candidates running for them. This means that the final winner will be decided in the Primary election that will take place on July 30. Although city and town council elections are non-partisan, these are also often decided in the Primary election. Traditionally, a very small percentage of voters turn out to vote in the Primary, leaving these important offices to be decided for everybody by very few people. It is too late to register to vote for the July 30 primary. However, if you are a registered Independent or "no party", you can still vote in the Primary election.

Public Notice Public Notice FRANCHISE AGREEMENT BETWEEN ARIZONA PUBLIC SERVICE COMPANY AND WINKELMAN, ARIZONA

Section 1. - Grant of Franchise:

There is hereby granted to Arizona Public Service Company, a corporation organized and existing under and by virtue of the laws of the State of Arizona (herein called "Grantee"), its successors and assigns, a franchise (herein called the "Franchise") to construct, maintain and operate its electrical system, as defined herein, upon, over, along, across and under the present and future public rights-of-way. These rights-of-way include but are not limited to streets, alleys, ways and highways in the Town of Winkelman, Arizona (herein called "Town"). Grantee's system includes electric power lines, together with all necessary or desirable appurtenances, including, but not limited to, poles, towers, wires, cables, conduits, transmission lines, transformers, switches and communication lines for its own use. This Franchise is for Grantee's use of Town's public rights-of-way to supply and deliver electric energy to Town, its successors, the inhabitants thereof, and all individuals and entities either within or beyond the limits thereof, for all purposes.

Any street lighting service furnished by Grantee to Town or to any street lighting improvement district within Town shall be the subject of a separate agreement and shall not be

governed by the provisions of this Franchise.

This Franchise includes the right to use public rights-of-way for the location of communication lines and appurtenances owned and operated by Grantee incidental to supplying electric energy under this Franchise. This Franchise does not include the right to use public rights-of-way for one-way transmissions directly to customers, users or subscribers of video programming, if any, which is required for the selection of or response to video programming. For purposes of the foregoing, the term "video programming" means programming provided by or generally considered comparable to programming provided by a television broadcast station. Grantee agrees that if Grantee uses or leases to others, the wires, towers, cables or lines for any purpose other than supplying electric services, before such use or lease, Grantee or Grantee's lessee shall apply for and obtain a separate license from Town.

Town shall not be liable to Grantee should Grantee construct facilities pursuant to this Franchise in an area over which

Town has erroneously exercised jurisdiction.

<u>Section 2. – Grantee's Compliance with Town Code; Plans Submitted for Approval; Town Construction near Grantee's Facilities:</u>

Town expressly reserves unto itself, subject to the limitations of the Constitution and laws of Arizona, the right to ensure the safety and welfare of the public, including without limitation to, pass and enforce ordinances to protect the public from danger or inconvenience in the operation of any work performed in the public rights-of-way, including without limitation enforcement of this Franchise.

All construction under this Franchise shall be performed in accordance with applicable codes and ordinances of Town with respect to such public rights-of-way. Such construction shall be completed within a reasonable time. Except in emergency circumstances, prior to commencing any work in a Right-of-Way, Grantee and/or any contractors of Grantee shall obtain all necessary permits for such work in accordance with Town Code in effect at the time of permitting. Town and Grantee agree and understand that there may be instances when Grantee is required to make repairs that are of an emergency nature. Grantee shall notify Town prior to such repairs, to the extent practicable, and shall obtain the necessary permits in a reasonable time after notification, showing the work performed in the public rights-of-way.

If Town authorizes either directly or through a contractor any construction project adjacent to or near Grantee's facilities operated pursuant to this Franchise, Town shall include in all such construction specifications, bids, and contracts, a requirement that the contractor or his designee must comply with the overhead power line safety laws (A.R.S. § 40-360.41

et. seq. as amended).

Public Notice Public Notice

Section 3. – Construction and Relocation of Grantee's Facilities; Payment:

Representatives of the Town and Grantee shall, during the entire term of this Franchise, meet at least once in each calendar year, or more often if necessary, to review any projects involving the construction or modification of Town Right-of-Way. The Town shall provide the Grantee annually with its 5-year capital improvement plan, if done so by the Town, in order for both parties to adequately plan and budget for such actions and to determine the extent of work required of Grantee, if any, for such projects. Neither party shall finalize the design of any facility without providing the other party notice as set forth in Section 15 below, and a reasonable opportunity to comment. If either party identifies a potential conflict between their existing facilities and the other party's proposed facilities, said party shall immediately notify the other party of such conflict and the parties shall use their best efforts to resolve such conflict.

When Grantee intends to replace, upgrade, or install new lines overhead, the Town may request estimates for the undergrounding of such replacement lines, upgrades or new lines, including lines to be adjusted for road improvements or for specific projects addressed at the annual planning meeting, as referenced in this section. When requested, the Grantee will provide to the Town two estimates: 1) an estimate for the cost of the project with overhead construction and 2) an estimate for the cost of the project with underground construction. The Town will have no more than 60 days from the estimate date to determine if it wants the line built overhead or placed underground. If the Town chooses underground construction for the project, the Town will be responsible for the incremental cost of undergrounding, defined as the differential between the estimate for underground construction and the estimate for overhead construction. Within a reasonable period of time after receipt of the payment for the incremental cost of undergrounding, the Grantee will install the underground facilities. The Grantee reserves the right to bill for the amount that the incremental cost associated with installation exceeds its estimate. The Town reserves the right to a refund of overpayment if the incremental costs are less than the amount billed in the estimate. If the Town wishes to have a line not scheduled for replacement or upgrade placed underground, the Town shall contact the Grantee to make such a request. The Town shall be responsible for the entire costs related to this work.

All facilities installed or constructed pursuant to this Franchise shall be so located or relocated and so erected as to minimize the interference with traffic, or other authorized uses over, under or through the public rights-of-way. Furthermore, Grantee shall not install, construct, maintain or use its facilities in a manner that damages or interferes with any existing facilities of another utility located in the public rights-of-way and agrees to relocate its facilities, if necessary, to accommodate another facility relocation that has a prior rights interest in the public rights-of-way.

Activities related to the construction of Grantee's facilities within the rights-of-way such as traffic control, backfilling, compaction and paving, and the location or relocation of lines and related facilities shall be subject to regulation by Town. Grantee shall keep accurate records of the location of all facilities in the public rights-of-way and furnish them to Town upon request. Upon completion of new or relocation construction of underground facilities in the public rights-ofway, Grantee shall provide Town's Engineer, or designee, with corrected drawings showing the location of the underground facilities in those cases where the actual location differs significantly from the proposed location. Grantee shall provide to Town the actual location of such new or relocated facilities in the public rights-of-way in an electronic format. Such format shall conform to utility industry best-practice standards. Grantee shall be required to obtain and pay all required fees and charges for construction permits and inspections of all non-electrical transmission or distribution facilities constructed within Town, including but not limited to, office buildings, storage buildings, or repair shops. Permits for electrical transmission or distribution facilities will be

Public Notice Public Notice

issued at no cost under this Franchise.

A. If Town requires Grantee to relocate Grantee's facilities which are located in private easements obtained by Grantee prior to Town's acquisition of said property from which the facilities must be relocated, the cost of relocating Grantee's facilities (including the cost of purchasing a new private easement if necessary) shall be borne by Town. Town shall also bear the entire cost of all subsequent relocations of the relocated facilities required by Town, until such time as Town condemns or purchases Grantee's private easement.

Except as covered in Paragraph A above, Grantee shall bear the entire cost of relocating its facilities located on public rights-of-way, the relocation of which is necessary for Town's or a contractor of Town carrying out of Town's governmental functions. Notwithstanding the foregoing, if Grantee is requested to perform work of a temporary nature on a governmental project to relieve construction problems which could be relieved by other means, the cost of said temporary work will be borne by Town or Town's contractor working on the governmental project. Governmental functions are those duties imposed on Town, where the duties involve a general public benefit, not in the nature of a corporate or business undertaking for the corporate benefit and interest of Town. Governmental functions include, but are not limited to, the following:

Any and all improvements to Town's public rights-of-way;
 Establishing and maintaining domestic water systems,

sanitary sewers, storm drains, and related facilities;

3. Establishing and maintaining municipal parks, parking spaces, parkways, pedestrian malls, or grass, shrubs, trees and other vegetation for the purpose of landscaping any street or public property;

4. Providing fire protection and other public safety functions;5. Collection and disposal of garbage and recyclables; and6. The relocation of Grantee's facilities necessary to carry out the exercise of the Town's police power for urban renewal.

C. Town will bear the entire cost of relocating any of Grantee's facilities, the relocation of which is necessitated by the construction of improvements by or on behalf of Town in furtherance of a proprietary function. All functions of Town which are not governmental are proprietary.

D. If Town participates in the cost of relocating Grantee's facilities for any reason, the cost of relocation to Town shall not include any upgrade or improvement of Grantee's facilities as they existed prior to relocation. Prior to commencement of project and payment by the Town, Grantee shall provide an itemization of the estimated costs and expenditures subject to the Town's review and approval. Final costs of relocation shall be submitted to the Town upon completion of the removal, relocation or alteration.

E. Town will not exercise its right to require Grantee's facilities to be relocated in an unreasonable or arbitrary manner, or to avoid its obligation under the Franchise. Town agrees to notify Grantee during the planning and design of Town's projects in rights-of-way that may require relocation of Grantee's facilities and to coordinate its construction plans and schedules with Grantee to determine the most cost-effective design to mitigate Grantee's cost to relocate its facilities.

F. Town agrees it will not require Grantee to relocate its facilities located within the public rights-of-way without providing Grantee adequate space within the rights-of-way to relocate the facilities that must be moved.

G. Grantee will provide Town an approved list of tree species for planting in the public rights-of-way where there are existing overhead power lines. Town will consider the list in establishing landscaping in the public rights-of-way. Town will not plant any tree that can normally grow to a height of more than 25 feet under or adjacent to Grantee's overhead power lines in the public rights-of-way. Grantee shall have the authority to prune or remove any trees or shrubs located within or hanging over the limits of the public rights-of-way of Town that in the judgment of Grantee may interfere with the construction, or endanger the operation, of the lines and/or facilities of Grantee. Grantee may remove trees that interfere with construction or endanger operation if approved

Public Notice Public Notice

by Town or the private owner of the tree or shrub in question. Town's approval will not be unreasonably withheld. All said vegetation management work is to be done at Grantee's expense and pursuant to A.N.S.I. Standard A300. Section 4. — Indemnification:

Town, its departments, officials, officers, employees, agents, successors and assigns, shall in no way be liable or responsible for any accident or damage that may occur in the construction, operation or maintenance by Grantee of its appurtenances hereunder, except to the extent such accident or damage may be proximately caused by the negligent or willful and wanton acts or omissions of Town, its departments, officers, employees, agents, successors and assigns. The acceptance of this Franchise shall be deemed an agreement on the part of Grantee that Grantee shall, to the fullest extent permitted by law, defend, indemnify, and hold Town harmless from and against any and all claims, costs, suits, damages, judgments, expenses and losses including, but not limited to attorney fees and court costs relating to, arising out of, or alleged to have resulted from the exercise of this Franchise by Grantee; provided, however, that such claims, expenses and losses are not the result of the willful misconduct or negligent acts or omissions of Town-Grantee, so long as it maintains, operates or owns facilities, within rights-of-way of Town, at its own cost and expense, shall keep, or cause to be kept, in force insurance against claims and liability for personal injury, death and property damage arising from the construction, operation or maintenance by Grantee of its facilities in a reasonable amount sufficient to insure Grantee's obligations under this Section, with Town named as an additional insured. Grantee shall provide Town with 30 days written notice of material change, cancellation or nonrenewal by the insurer. The policy shall be primary and noncontributing with any policy of Town. Section 5. – Restoration of Rights-of-Way:

Whenever Grantee shall cause any opening or alteration whatsoever to be made for any purpose in any public right-of-way, the work shall be completed with due diligence within a reasonably prompt time. Grantee will restore the disturbed property to a condition as good as it was prior to such opening or alteration. Town agrees that this requirement shall be deemed met if the disturbed property is restored with comparable materials, so that the restoration meets or exceeds industry and Town standards as adopted by the Town Council.

Section 6. – Franchise Fee:

Grantee shall pay to Town in consideration of the grant of this Franchise a sum equal to two percent (2%) of all revenues of Grantee, including Regulatory Assessments, but excluding transaction privilege taxes and similar governmental impositions, from the retail sales and/or delivery by it of electric energy and other charges for services attendant to the retail sale and/or delivery of electric energy delivered through Grantee's electric distribution system within the present and any future corporate limits of Town, as shown by Grantee's billing records. Grantee shall not, however, pay said franchise fee on revenues charged to Grantee's retail customers by third party electric service providers. Said payments shall be in lieu of any and all fees, charges or exaction of any kind otherwise assessed by Town in any way associated with Grantee's use of the rights-of-way, including but not limited to, the construction of Grantee's facilities hereunder or for inspections thereof during the term of this

For the purpose of verifying amounts payable hereunder, the books and records of Grantee shall be subject to inspection by duly authorized officers or representatives of Town at reasonable times.

Beginning September 12, 2025 payment as described in the preceding paragraphs shall be payable in quarterly amounts within 30 days after the end of each calendar quarter.

Notwithstanding the provisions of this Franchise, if during the term of this Franchise Grantee enters into any electric franchise with any other municipality in Arizona during the term of this Franchise that provides for a higher percentage of Grantee's revenues than two percent (2%) or

Public Notice Public Notice

includes more categories of revenues than set forth in this Franchise, Grantee shall notify Town Council of such higher percentage or expanded revenue base. Town Council, at its sole discretion, shall have the option to, as applicable: (i) increase Grantee's franchise fee to the higher percentage rate; or (ii) include other revenue categories set forth in the franchise agreement Grantee has with the other entity of this State. Following Town Council's action, Grantee agrees to henceforth pay to Town a new franchise fee at the higher franchise percentage or to include the additional revenue categories.

Section 7. – Additional Fees and Taxes:

Notwithstanding any provision contained herein to the contrary, Grantee shall pay, in addition to the payment provided in Section 6, the following charges, taxes and fees as established in a code or ordinance properly adopted by Town:

General ad valorem property taxes and special district assessments;

B. Transaction privilege and use tax as authorized by law and collected by Grantee for its retail sales to its electric customers within the present and any future corporate limits of Town;

C. Other charges, taxes or fees generally levied upon businesses by Town, provided said charge, tax or fee is a flat fee per year and that the annual amount of such fee does not exceed the amount of similar fees paid by any other businesses operated within Town.

Section 8. - Term:

This Franchise shall continue and exist for a period of twenty-five (25) years from September 12, 2025; provided, however, that either party may terminate this Franchise on its tenth anniversary by giving written notice of its intention to do so not less than one (1) year before the date of termination. If such notice is given for the purpose of negotiating a new franchise and such negotiation is successful, the party giving the notice of termination shall be responsible for the costs of the resulting franchise election.

Section 9. - Franchise; Non-Exclusive:

This Franchise is not exclusive, and nothing contained herein shall be construed to prevent Town from granting other like or similar grants or privileges to any other person, firm or corporation.

Section 10. - Conflicting Ordinances:

Not withstanding any other provisions hereof, all ordinances and parts of ordinances in conflict with the provisions hereof, to the extent applicable to a franchised electric public service corporation, are hereby superseded.

Section 11. – Independent Provisions:

If any section, paragraph, clause, phrase or provision of this Franchise, shall be adjudged invalid or unconstitutional, the same shall not affect the validity of this Franchise as a whole or any part of the provisions hereof other than the part so adjudged to be invalid or unconstitutional.

Section 12. – Town Use of Facilities:

In consideration of this Franchise and the rights granted hereby, Town shall, if the following six criteria are met, have the right to place, maintain, and operate on Grantee's poles located on public rights-of-way within Town's corporate limits, any and all wires and appurtenances (other than steps or climbing devices) for Town's, or Town's designee, fire alarm, police telephone or other municipal communications services utilized for governmental functions:

A. Town must notify Grantee in writing of Town's intended use of Grantee's poles;

B. Town shall, to the fullest extent permitted by law, defend, indemnify and hold Grantee harmless from any and all claims, costs, damages, expenses and losses, including but not limited to attorney fees and court costs relating to, arising out of, or alleged to have resulted from Town's use of Grantee's facilities pursuant to this Franchise; provided however, that such claims, expenses and losses are not the result of the willful misconduct or negligent acts or omissions of Grantee.

C. Town's facilities and the installation and maintenance thereof must comply with the applicable requirements of the

Occupational Safety and Health Act, the National Electrical Safety Code, and all other applicable rules and regulations as amended. If Town does not comply with all applicable laws, ordinances and regulations, or if Town's facilities create an immediate safety hazard, Grantee retains the right to remove or correct Town's facilities at Town's expense;

D. Town's facilities and the installation and maintenance thereof must not cause Grantee's facilities and the installation and maintenance thereof to be out of compliance with all applicable requirements of the Occupational Safety and Health Act and the National Electrical Safety Code and all other applicable rules and regulations as amended. If Town does not comply with all applicable laws, ordinances and regulations, or if Town's facilities create an immediate safety hazard, Grantee retains the right to remove or correct Town's facilities at Town's expense;

E. Town's use of its facilities shall not interfere with Grantee's use of Grantee's facilities, and;

Esta Franquicia incluye el derecho a utilizar derechos de paso públicos para la ubicación de líneas de comunicación y accesorios pertenecientes y operados por el Concesionario relacionados al suministro de energía eléctrica bajo esta Franquicia. Esta Franquicia no incluye el derecho de utilizar derechos de paso públicos para transmisiones unilaterales directas a clientes, usuarios o suscriptores de programación de vídeo, si los hubiera, que se requiere para la selección o respuesta a la programación de vídeo. Para fines de lo anterior, el término "programación de video" significa programación proporcionada por o generalmente considerada comparable a la programación proporcionada por una estación de transmisión de televisión. El Concesionario acepta que si el Concesionario utiliza o alquila a otros los alambres, torres, cables o líneas con cualquier fin que no sea el suministro de servicios eléctricos. antes de dicho uso o alquiler, el Concesionario o el arrendatario del Concesionario deberá solicitar y obtener una licencia por separado del Pueblo.

El Pueblo no será responsable ante el Concesionario si el Concesionario construye instalaciones en virtud de esta Franquicia en un área sobre la que el Pueblo haya ejercido su jurisdicción erróneamente.

Sección 2. – Cumplimiento del código del Pueblo por el Concesionario; Planos entregados para aprobación; Construcción del Pueblo cerca de instalaciones del Concesionario:

El Pueblo reserva expresamente, sujeto a las limitaciones de la Constitución y las leyes de Arizona, el derecho de garantizar la seguridad y el bienestar del público, incluyendo, sin limitación, la aprobación y aplicación de ordenanzas para proteger al público de peligros o inconvenientes en la operación de cualquier trabajo realizado en los derechos de paso públicos, incluyendo, sin limitación, la aplicación de esta Franquicia.

Toda construcción realizada en virtud de esta Franquicia se realizará en conformidad con los códigos y ordenanzas aplicables del Pueblo respecto a dichos derechos de paso públicos. Dicha construcción deberá completarse dentro de un plazo razonable. Con excepción de circunstancias de emergencia, antes de comenzar cualquier trabajo en un Derecho de Paso, el Concesionario y/o cualquier contratista del Concesionario deberán obtener todos los permisos necesarios para dicho trabajo en conformidad con el Código del Pueblo vigente en el momento de otorgar el permiso. El Pueblo y el Concesionario aceptan y entienden que puede haber casos en los que el Concesionario debe realizar reparaciones por motivos de emergencia. El Concesionario notificará al Pueblo antes de tales reparaciones, tanto como sea posible, y obtendrá los permisos necesarios en un tiempo razonable después de la notificación, mostrando el trabajo realizado en los derechos de paso públicos.

<u>Sección 3. – Construcción y reubicación de instalaciones del Concesionario; Pago:</u>

Los representantes del Pueblo y del Concesionario se reunirán, durante toda la vigencia de esta Franquicia, al menos una vez cada año civil, o con mayor frecuencia si es necesario, para revisar cualquier proyecto que implique la construcción o modificación del Derecho de Paso del Pueblo. El Pueblo proporcionará al Concesionario anualmente su plan quinquenal de mejoras de capital, si el Pueblo lo tiene, para que ambas partes puedan planificar y presupuestar adecuadamente para dichas acciones y determinar el trabajo requerido del Concesionario, si lo hubiera, para dichos proyectos. Ninguna de las partes finalizará el diseño de ninguna instalación sin proporcionar a la otra parte una notificación según lo establecido en la Sección 15 a continuación, y una oportunidad razonable para hacer comentarios. Si alguna de las partes identifica un conflicto potencial entre sus instalaciones existentes y las instalaciones propuestas por la otra parte, dicha parte notificará inmediatamente a la otra parte de dicho conflicto y las partes harán su mejor esfuerzo para resolver dicho conflicto.

Cuando el Concesionario pretenda reemplazar, actualizar o instalar nuevas líneas aéreas, el Pueblo puede solicitar presupuestos para el soterramiento de dichas líneas de reemplazo, actualizaciones o nuevas líneas, incluyendo las líneas que deban ajustarse para mejoras viales o para proyectos específicos tratados en la reunión anual de planificación, como se menciona en esta sección. Cuando se solicite, el Concesionario proporcionará al Pueblo dos presupuestos: 1) una estimación del costo del proyecto con construcción aérea y 2) una estimación del costo del proyecto con construcción subterránea. El Pueblo tendrá un plazo máximo de 60 días a partir de la fecha del presupuesto para determinar si desea que la línea se construya de forma aérea o subterránea. Si el Pueblo opta por la construcción subterránea del proyecto, el Pueblo será responsable del costo incremental del soterramiento, definido como la diferencia entre la estimación de la construcción subterránea y la estimación de la construcción aérea. Dentro de un plazo razonable tras recibir el pago del costo incremental del soterramiento, el Concesionario instalará las instalaciones subterráneas. El Concesionario reserva el derecho de facturar la cantidad que el costo incremental asociado con la instalación exceda de su estimación. El Pueblo reserva el derecho a un reembolso del sobrepago si los costos incrementales son menores a la cantidad facturada en la estimación. Si el Pueblo desea que una línea no programada para reemplazo o actualización se coloque de forma subterránea, el Pueblo deberá contactar al Concesionario para hacer dicha petición. El Pueblo será responsable de la totalidad de los costos relacionados con este trabajo.

Todas las instalaciones instaladas o construidas en virtud de esta Franquicia deberán ubicarse o reubicarse y erigirse de forma que minimice la interferencia con el tráfico u otros usos autorizados por encima, por debajo o a través de los derechos de paso públicos. Además, el Concesionario no instalará, construirá, mantendrá ni utilizará sus instalaciones de forma que dañen o interfieran con cualquier instalación existente de otros servicios públicos ubicada en los derechos de paso públicos y acepta reubicar sus instalaciones, si es necesario, para acomodar la reubicación de otra instalación que tenga un interés de derechos previos en los derechos de paso públicos.

Las actividades relacionadas a la construcción de las instalaciones del Concesionario dentro de los derechos de paso, como el control de tráfico, relleno, compactación y pavimentación, y la ubicación o reubicación de líneas e instalaciones relacionadas, estarán sujetas a la regulación del Pueblo. El Concesionario mantendrá archivos precisos de la ubicación de todas las instalaciones en los derechos de paso públicos y los proporcionará al Pueblo bajo petición. Una vez completada la construcción nueva o la reubicación de instalaciones subterráneas en los derechos de paso públicos, el Concesionario proporcionará al Ingeniero del Pueblo, o a la persona designada, los planos corregidos que muestren la ubicación de las instalaciones subterráneas en aquellos casos en que la ubicación real sea considerablemente diferente de la ubicación propuesta. El Concesionario proporcionará al Pueblo la ubicación real de dichas instalaciones nuevas o reubicadas en los derechos de paso públicos en formato electrónico. Dicho formato se ajustará a los estándares de mejores prácticas de la industria de servicios públicos. El Concesionario estará obligado a obtener y pagar todas las cuotas y cargos requeridos para los permisos de construcción y las inspecciones de todas las instalaciones de transmisión o distribución no eléctricas construidas dentro del Pueblo, incluyendo entre otros, edificios de oficinas, edificios de almacenamiento o talleres de reparación. Los permisos para las instalaciones de transmisión o distribución eléctrica se concederán sin costo alguno en virtud de esta Franquicia.

Los costos finales de la reubicación se presentarán al Pueblo una vez completada la eliminación, reubicación o alteración.
- E. El Pueblo no ejercerá su derecho a requerir la reubicación de las instalaciones del Concesionario de manera irrazonable o arbitraria, ni a eludir su obligación en virtud de la Franquicia. El Pueblo acepta notificar al Concesionario durante la planificación y el diseño de los proyectos del Pueblo en derechos de paso que puedan requerir la reubicación de las instalaciones del Concesionario y coordinar sus planes y calendarios de construcción con el Concesionario para determinar el diseño más rentable para mitigar el costo del Concesionario de reubicar sus instalaciones.
- F. El Pueblo acepta que no requerirá que el Concesionario reubique sus instalaciones ubicadas dentro de los derechos de paso públicos sin proporcionar al Concesionario el espacio adecuado dentro de los derechos de paso para reubicar las instalaciones que se deban mover.

Poignant season for Superior Majors

By Nathaniel A. Lopez Copper Area News

The Superior Major Baseball team had a season that was a little different this year. With only seven 12-year-olds on the team, some 11-year-olds were pulled up to join the Majors team. Coaching the team was AJ Quiroz, with help from David Olmos and Joseph Lopez.

"We started practicing about a month and a half before the season started, because you know, all Superior has for the youth is Little League. There's no other youth sports out here. That gave us the opportunity to start early, so we could give the kids something to do and keep them out of trouble, and just teaching them how to work and play the game," commented coach Quiroz.

The team set out to achieve three goals during the season: win the first game, beat

Kearny, and win an all-star game. The boys were able to achieve that first goal, with a first-game win over San Manuel. Throughout the season, the boys claimed wins over San Manuel and Hayden, but kept falling short against the league's "beast" team Kearny.

"These kids are doing great at this point, we're really clicking, trying to figure out a way to beat Kearny; we still can't beat them. We played them three times, the first game was a 6-5 loss, the second game was a 11-1 loss, and the third game was a blowout. The kids are getting down on themselves, but these kids are really good, and we're coaching them with how to deal with everything, things in life, you know, not just baseball. It's not all we're coaching out there. When you catch a coach like Olmos or Lopez, that have been around and coached teams, the kids are catching a caliber of

coaching that I didn't get until high school," Ouiroz said.

During the week before their final game, closing ceremonies against Kearny, the team suffered the tragic loss of their teammate, and friend Marshall Tomerlin. After considering the emotions of the young team, the coaches were unsure if the team would be able to play their last game. With the blessing of the Tomerlin family to play the game, the coaches decided to have a meeting and ask the team if they would want to play. The boys did want to play – they wanted to play for Marshall.

On May 28, the field was prepared for the closing ceremonies, and on the field was put a number 10, in the right outfield, in memory of Marshall.

"We went and played this game, and it had a championship vibe to it, crowded, with everyone there, a lot of excitement. Back and forth, they would score, we would score, and these kids played like I knew they could. How I see them play all the time at practice when nobody's watching. They went out of their and gave it their all," added coach Quiroz.

The game was 6-5 going into the sixth inning, but the boys were able to bring it to a 6-6 tie. The game ended up going into the eighth inning, where they boys were able to pull a close 7-6 win, and finally achieve their second goal, to beat Kearny. They did it for their teammate.

"I won a state championship in high school, that was always the best feeling I ever had, but that game right there, I put that on top of my state championship," commented coach Quiroz.

For the Superior Majors team, their season concluded after they took a 0-3 loss against Florence in an all-stars game.

The Superior Majors All Stars Team includes, in no particular order, coaches AJ Quiroz, David Olmos and Joseph Lopez; and players, Argel "AJ" Quiroz, Carlitos Apodaca, Carlitos Martinez, Dominick Aguilar, Ezekiel Gomez, Isaiah "Bo" Olmos, Jacob Duarte, Joseph Lopez, Joshua Zapata, Mason Fox and Marshall Tomerlin.
